HEADTEACHER'S WELCOME

We are a school: we will educate a new generation to view the world critically, make their own decisions, and act in a way that benefits the wider community, not just themselves.

This is summed up in our motto, "think for yourself; act for others."

Cheney is a genuinely comprehensive school, in the best sense of the term, with a fully inclusive intake, which represents not just our catchment area, but also modern Britain.

The ideals of the comprehensive movement have been met in Cheney, in a way that is very rare.

We value creativity over conformity; education over league tables; the needs of students over data; self-discipline over sanctions; nuance over simplification; curiosity over acceptance; honesty over

reassurance; the judgement of our community over the judgement of the official world.

We value emotional intelligence equally to academic intelligence; well-being equally to success; self-knowledge to factual knowledge; humanity to rigour.

This is not to say that the things we value less are worthless; in their place, and in their time, quite the reverse.

In fact, we believe if we get the first things right, the second will follow.

Please contact us if you have any questions or would like to visit.

While you are here, you might like to visit the Rumble Museum, the only Arts Council-accredited museum in a state school, and a great example of what creativity and curiosity looks like at Cheney.

RIVER LEARNING TRUST

Cheney School is part of River Learning Trust (RLT), a multi-academy trust responsible for primary and secondary schools across Oxfordshire and Swindon, and a school-centred initial teacher training provider that serves Oxfordshire, Berkshire and Wiltshire.

OUR VISION

Education has the power to change lives, communities and society for the better.

At the River Learning Trust we believe that we can achieve more for our pupils, trainees, staff and communities by working together rather than alone.

All of the schools in the River Learning Trust are united by a common belief in the benefits of working together, and by our commitment to our shared principles. Our vision is for our schools and SCITT to improve rapidly, continuously and sustainably: to be better faster together.

Our 'Why?' is that children and young people 'only get one go' in school and our schools should improve faster and be better as part of RLT to ensure the best possible 'go' for our pupils.

Our 'How' is through the highest possible support and challenge for our schools and each other, underpinned by our three principles. We use the principles of 'aligned autonomy' to empower colleagues in schools to perform well; we rarely direct from the centre but rather support leaders and other colleagues to do their work exceptionally well in their own context.

The schools and SCITT are united by their commitment to the principles of the trust and a common belief in the benefits of everything that is gained by working together.

WHAT MATTERS TO US

The River Learning Trust is a community of children, young people and adults with shared principles.

These principles are:

- Commitment to Excellence; striving for the best educational experience through continuous improvement.
- Everyone Learning; creating and taking opportunities that enhance lives through evidence-based practice supporting adult and pupil learning.
- Respectful Relationships; acting with care, integrity, and fairness in all we do.

THE POWER OF PEOPLE

High-performing organisations have the right organisational culture, effective processes and well-trained, motivated colleagues in the right roles.

We focus a great deal on people and the importance of continuous professional learning and development.

THE TRUST'S SCHOOLS

We currently educate around 16,000 pupils and have around 2,200 colleagues working in the trust. The SCITT (school-centred initial teacher training provider) trains around 110 trainees a year in Oxfordshire, Berkshire and Wiltshire.
