## WELCOME FROM OUR CEO

It is my pleasure to welcome you to Inspire Education Trust.

At Inspire Education Trust we are passionate about making a difference to the lives of our pupils. They are at the heart of everything we do and we strive to inspire all learners, and want all our schools to be the best they can be and for each and every child, to discover the skills, abilities, talents and interests that lie within them.

We believe in working in partnership, enabling us to ensure all children and pupils achieve their full potential. Our schools know the impact that working collaboratively can bring.

Our schools have a desire to question, change and innovate to ensure that what they provide enables our children to become successful learners, confident individuals and responsible citizens.

At the same time, we recognise the importance for each school to retain and promote their individual identity. Every school has its own context and challenges. This is why we encourage our member schools to lead and manage in a way that preserves that individual identity and responds to the specific needs of their children and community.

The combination of autonomy and collaboration across key areas of leadership and management, underpinned by shared values and best practice is what makes our schools special.

**Lois Whitehouse – CEO**

## DEPUTY CEO

We put the quality of education at the core of our vision. Our school improvement strategies provide an excellent framework to deliver a truly broad, balanced and inclusive curriculum with an emphasis on co-curricular activities such as Arts, Music and Sports from age 2 to 18. We believe that every child is a powerful learner.

We are a progressive Trust with an excellent track record of Primary school improvement across our portfolio of 8 schools, 7 of which are Primary schools.

We have strong models of Primary school improvement alongside high-quality implementation and delivery. We have proven able to deliver high standards of education, systematically, through excellent improvement practice that incorporates

knowledge building, evidence-informed professional development, and the creation of communities of improvement.

As a successful Trust we deploy the expertise of specialist primary teachers and leaders across our schools to ensure maximum impact.

The goal is for every member of staff, in every classroom to be as **good as they can be** in what they teach (the curriculum) and how they teach (pedagogy), e.g., paired planning time with subject/ teaching expert to develop teacher confidence and pedagogy.

Coaching conversations with teachers/ leaders so that developments come directly from them to motivate and signpost independent improvements through self-study documents such as WALKTHRUS and external courses. This will allow capacity to be enhanced so that teachers can then improve each other and hone/ innovate practice. Once practice is embedded and impactful, we would look to develop leaders of these areas externally to innovate and lead future practice in their school and more widely across the Trust.

We are constantly refining the way we support, challenge, and improve our schools. At the heart of our approach is first-class teaching.

**Rob Darling – Deputy CEO**

### WELCOME FROM HEADTEACHER

We would like to extend a warm welcome to all the children, their families, friends, and members of the local community who are central to the life of Walsgrave CE Academy. Our whole school community values the contribution every child brings, which makes our school a happy and fun place to learn and work. Our mission statement is: 'Together We Thrive' and this sentiment underpins all we do.

As a Church of England Primary School, we have close links with St Mary's Church, collaborating regularly throughout the year. This collaboration, as well as celebrating our school's cultural diversity, helped us to achieve our Outstanding SIAMS (Statutory Inspection of Anglican and Methodist Schools) inspection result in June 2015.

At Walsgrave CE Academy we believe in encouraging children to know how they learn best. Pupils need to understand why learning is important and to be as involved as much as possible in their own learning. We get to know each pupil extremely well, recognise their potential, tailor individual learning needs and support each pupil's

learning with high quality teaching, learning and resources. We offer a bespoke and exciting, broad and balanced curriculum that is enriched by visitors, educational visits and memorable experiences. We are passionate about all children having core skills in Reading, Writing and Maths, as well as opportunities for them to become artists, musicians, historians etc. Children feel safe and happy in school and they tell us that they look forward to coming to school every day (and so do we!).

We believe that every child can do amazing things, and it's our job to help make this potential a reality. With an outstanding education, every child has the freedom to choose their own future. As you're the most important person in your child's life, it's really important that we work together to support each other in making sure your child gets the best education possible.

**Damien Sowerby – Headteacher**

## OUR EXTENDED SCHOOL VALUES

### Fun

At Walsgrave, we jump in and buckle up for each and every school day. Walsgrave is the rocket that blasts us into a world of unknown adventures which take us on a memorable and fun journey which we all can be a part of. Walsgrave helps us to enjoy life in all its fullness.

### Trust

Walsgrave is like the Shepherd tending to his flock, just as the sheep trust in their shepherd's direction, up hills, down dales, when there's a wolf around or when the sun shines and we bask in it, everything we do at Walsgrave is based on trust. Here we trust in God's direction, trust that he and all of us will support each other in life's highs and lows and we trust when we can be honest and open, kept safe and enjoy learning. If any sheep get lost or hurt, the shepherd will find it and look after it, so our trust means that we are all kept close and can move together through our school journey.

### Resilience

Sailing along your way you come across many obstacles. Rocks can block your path, you don't turn back, Walsgrave has taught you to paddle around them. Waters can become choppy and cause you to fall out, Walsgrave has taught you not to panic and to keep moving forward. Sometimes you drift into the reeds, Walsgrave can be the team to re-direct you on your journey. Obstacles don't stop you along your path, Walsgrave has shown you not to fear change, but face it and never turn back.

### Well-being

We all walk different paths on our way to Walsgrave. Some paths are smooth, full of sunlight, blue skies, laughter and happy memories. Others are stormy, cold, dark and lonely – but all lead to Walsgrave. Walsgrave can be the warm blanket at the end of your journey, the friendly smile or the safe place to be your whole self. Walsgrave gives you the tools to face your future paths, whatever they may hold.

### Inclusion

All of the children and staff are like the body. God has placed us together here at Walsgrave so that when one part of the body is hurt we stand together to make it strong again. We all look different, have different parts to play but it is only when we work together that we can stand and walk through life day by day.
