# About St Gregory's

---

St Gregory's is a Catholic voluntary aided secondary school which was established by the Diocese of Clifton. It primarily serves designated Catholic parishes in Bath and North East Somerset, North West Wiltshire and the north of the County of Somerset and admits students of 11-18 years. We are a popular co-educational school, founded on Catholic Christian values and with a strong family and community ethos. These values envelop the learning of our students, providing them with an academic start to life that is supportive, nurturing and inspiring. St Gregory's has a well-deserved reputation for academic excellence, outstanding pastoral care and an excellent enrichment programme.

In 2022, we were rated Good overall with Outstanding Behaviour & Attitudes and Personal Development by Ofsted. We are also recognised as an 'Outstanding' secondary school in our CSI Inspection, highlighting St Gregory's as a flourishing educational community where every child is valued and encouraged to grow as individuals.

Our GCSE and A Level results are excellent and not just in raw terms but also in the context of value-added. Such measures seek to identify the progress that every child makes during his or her time with us and show that our students make outstanding progress.

The achievement of our students consistently places our school as one of the top achieving state schools in the country. Students leaving St Gregory's progress to some of the very best academic institutions including Oxford, Cambridge and the Russell Group but, more than this, they leave having acquired the academic success, confidence and skills they need to continue their educational or career journey of choice.

We are located at the southern gateway to the World Heritage City of Bath with beautiful views towards the Severn Estuary and over Bath. Access to the school is easy as it is on main bus routes and next to the Odd Down Bath Park and Ride terminus.

The World Heritage City of Bath itself needs little introduction. Over four million tourists a year come to visit its many attractions, such as its Georgian architecture, its festivals, theatres, museums, restaurants and shops. It boasts excellent schools, rugby and football teams and Olympic standard training facilities at the University of Bath.

Bath is served by many attractive towns and villages, and our staff and students come from diverse locations.
