## Foxfield Primary School

We are a welcoming three form entry primary school amongst a diverse and thriving community. We pride ourselves on developing curious learners, who engage readily with their learning, consistently demonstrate our values and want to do their very best. Excellent practices and systems in our school, support all children to be successful and confident. Foxfield is a truly remarkable place to learn.

Curriculum design and high-quality teaching and learning are at the heart of everything we do as a school. Our curriculum is world class. Through our global themes, we provide our children with opportunities to make sense of the world they live in, think critically about world issues and to develop an awareness of the impact our actions can have on others.

As a school we never compromise on the high expectations that we have of all of the children who attend Foxfield Primary School and we create experiences that allow children to become confident, global citizens who become agents of change. Partnership with parents and carers is at the central to our work.

As key educators in your children's lives, we feel it is exceptionally important that you have a voice and that our team are approachable and allow you to share your thoughts as a school. Through regular communication, parental engagement workshops, coffee mornings and celebration events, we develop strong and open relationships with you all. Together, everyone achieves more.

With our children being the leaders of the future, we actively promote independence, confidence and teamwork. We strive for excellence always!

Once again, a very warm welcome to Foxfield Primary School, a school and community we are so proud of.

We promote independence, resilience and teamwork so that all children are prepared to be informed, purposeful citizens in the 21st Century.

If you are an enthusiastic and committed candidate who is passionate about providing our young people with the very best learning experiences, we want to hear from you. Your application should highlight and provide evidence of your strong leadership strengths, as well as your commitment and alignment to the Inspire Partnership ethos and values.

This rewarding role also offers a fantastic career opportunity for the successful candidate to develop their networks and strategic leadership across the Partnership and beyond.

By working closely with leadership teams across our family of schools, you will be influential in fostering cross-school initiatives, driving trust-wide improvement strategies, and contributing to the development of shared best practices.
