

Teacher of Science

Dear Applicant,

Thank you for your interest in the position of Teacher of Science at Burscough Priory Academy.

The Endeavour Learning Trust board and I are delighted to provide the enclosed information about our School. I hope you find it helpful and on behalf of the whole school community, I would like to take this opportunity to extend a very warm welcome.

Endeavour Learning Trust is a growing Trust in the North West. In our family of schools at this point in our growth, we have four secondary schools and six primary schools formally in the Trust.

Our Trust is a mix of good schools and schools which have been in challenging circumstances. Where there has been work to be done, the impact has been rapid and significant. We are committed to growing our Trust further and we are strengthening our central team to ensure we have the capacity to continue to support where we are needed most. All of our schools and our staff provide us with rich opportunities to learn from and with each other.

We strive to ensure that our family ethos is tangible; that we work as a team; that we want the best for everyone. We are also staunch in our commitment to working in a way which protects the wellbeing of our staff; our commitment to reducing workload is non-negotiable. We seek to thrive; individually, collectively, in our classrooms, staffrooms, schools, our central team and across the Trust.

We hope the enclosed information will give you good insight into our School & Trust.

We look forward to viewing your application.

Yours faithfully,

Endeavour Learning Trust's Mission and Values

We will serve our communities to ensure that every child realises their potential

We pledge that our schools will be transformational places of academic excellence that offer a true richness of experience, providing all children with the same opportunities to flourish and develop their unique skills, qualities and talents.

We will work collaboratively with our colleagues, parents and carers and our partners to remove any barriers that place limitations on our children, creating schools that are happy and harmonious places at the centre of their community.

Our Values

Individuality

We are firmly committed to recognising, celebrating and investing in the individuality of all of our children and young people, each of our colleagues and the distinct ethos and identity of each of our schools, whilst remaining united by our core values. We don't believe in a "one size fits all" approach, and will adapt our provision to meet individual needs.

People centred

Our work is driven by our responsibility to every individual within our Trust community. Every person deserves to be treated with respect, dignity and kindness. We demonstrate empathy and humility in our approach, ensuring that our Trust provides an environment where every individual feels confident to be their true authentic self.

Belonging

Equity of opportunity is central to our practice and we will be relentless in our endeavour to identify and remove barriers that prevent full inclusion. Our culture extends beyond tolerance to one where difference is embraced and every individual is valued and celebrated for their unique contribution to our community. Every individual is a full member in our community.

Transformation

We believe in the promise of each individual across the Trust and will ensure we inspire, support and challenge in proportionate measure, so that we all thrive and are able to achieve our own individual successes. We are bold in our approach, stretching perceived boundaries, to go further for our children, colleagues and communities. We continually develop our approach to respond to changes in the communities we operate within to support every child, colleague and partners to realise their potential.

Togetherness

We are a proud family of schools bonded by our Trust vision, priorities and values. We work as one team in school, across our Trust and with our wider partners for the benefit of the communities we serve. Our collaborative approach inspires us to be bold and brings us together in ways that help us to make a difference. We are better together.

Dear Applicant,

Thank you for your interest in the Teacher of Science vacancy at Burscough Priory Academy.

We are a small and thriving community school, within the Endeavour Learning Trust family of schools. Since joining the Trust, we have made rapid and sustained progress over the last four years, with the vision of being a 'Great school at the heart of the community.'

At our school you will find a caring, ambitious and inclusive community; one that is dedicated to celebrating the potential and uniqueness of everyone. To support this commitment, there is a strong curriculum, inspirational and challenging teaching and learning and outstanding pastoral care. In November 2022, this was recognised by Ofsted and we were judged a 'Good' school.

The relationships that are fostered in school between the children and staff are exceptional. We are very aware of our responsibility as a school at the heart of our Burscough community and we know that excellent relationships with our parents, staff and within the wider community are crucial to the success of the children. Our motto is, 'E Pluribus Unum,' which translates as 'Out of Many, One.' You will feel a distinct feeling of togetherness, working as one to make sure our children feel safe, valued and well supported.

Our family ethos is tangible; we work as a team and we want the best for everyone. But we are also staunch in our commitment to doing this in a way which protects the wellbeing of our staff and our students. Our commitment to reducing workload is non-negotiable. We seek to thrive; individually, together, in our classrooms, staffrooms, schools and right across the Trust.

We hope the information in this pack give you a flavour of who we are and what we do. If you have any further questions about the role please get in touch.

We look forward to receiving your application.

Yours faithfully,

Mrs L MacLaren
Headteacher

Teacher of Science

Full time, permanent

Main Pay Range – Upper Pay Range

£32,916 - £51,048 per annum

Required for September 2026

Inspire curiosity. Spark discovery. Bring science to life.

Do you have a passion for science, and a talent for inspiring young minds? We are seeking an enthusiastic and dedicated Teacher of Science to join our dynamic Science Department following the promotion of the postholder.

In this exciting role, you will create engaging, hands-on lessons that encourage curiosity, critical thinking, and a deep understanding of the world around us. From exploring the wonders of biology and chemistry to unlocking the principles of physics, you'll help students become inquisitive, confident, and capable scientists.

Key Responsibilities

- Deliver high-quality, engaging science lessons to students of all abilities.
- Teach as a specialist biologist as required.
- Foster curiosity, creativity, and a lifelong love of scientific inquiry.
- Support students in developing practical, analytical, and problem-solving skills.
- Contribute to curriculum development and enrichment activities.

If you're ready to make the science classroom a place of discovery, exploration, and innovation, we'd love to hear from you!

HOW TO APPLY

To apply, please complete our online application form in full, along with a personal statement to support your application and outline the relevant experience you can bring to Endeavour Learning Trust.

If you require any further information, please contact our Operations Lead, Alexa at a.oldfield@burscoughpriorityacademy.org

SAFEGUARDING

Endeavour Learning Trust is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment and individually take responsibility for doing so.

Please note that in line with Keeping Children Safe in Education, an online search will be carried out as part of our due diligence on shortlisted candidates.

TEACHER OF SCIENCE JOB DESCRIPTION

BURSCOUGH PRIORY ACADEMY

To carry out the duties of a School Teacher as set out in the School Teachers Pay and Conditions Document.

To plan, develop and deliver high quality lessons and schemes of work, using a variety of approaches, to continually enhance teaching and learning and to maximise individual progress for students

To maintain and build upon the relevant standards achieved in the award for QTS (Secondary) as set out by the Secretary of State
