Schools in RLT are united by a common belief in the benefits of working together, and by our commitment to shared principles.

OUR VISION is for our schools and SCITT to improve rapidly, continuously and sustainably: to be better faster together.

OUR 'WHY?' is that children and young people 'only get one go' in school and therefore as part of RLT we aim to ensure the best possible 'go' for our pupils.

OUR 'HOW?' is through the highest support and challenge for our schools and each other, underpinned by our principles.

Our employees benefit from a wide variety of support including extensive continuing professional learning and development opportunities, wellbeing and staff networks and access to Defined Benefit Pension Schemes (TPS and LGPS) for all staff. About Gillotts School

Occupying a 33 acre site on the edge of Henley-on-Thames, we are a co-educational academy with approximately 900 pupils aged 11-16 on roll.

We have recently been recognised outstanding by Ofsted, who said, **‘Pupils thrive because of the high-quality teaching and care they receive.’**

Gillotts is a school that takes great pride in its unique identity. It is one of four mixed 11-16 schools in south-east Oxfordshire and its 900 students come from Henley and the surrounding villages. The school occupies a 33 acre site on the edge of Henley-on-Thames, which incorporates a Victorian house as well as extensive grounds, both of which contribute to the school’s special character.

Gillotts places teaching and learning at the heart of its development. There is a strong pastoral focus too, recognising that students’ well-being is crucial to their learning. Academic standards at Gillotts are both high and improving. In 2025, 76% of students achieved the benchmark of grade 5 or above in both English and maths, against a national average of 45%.

Gillotts however also prides itself on being a welcoming and inclusive community. Its motto – ‘non nobis solum’ – translates as ‘not by ourselves alone’ and the sense of teamwork, collaboration and cooperation underpins the life of the school.

Working for Gillotts

As a high-performing school, Gillotts places teaching and learning at the heart of its development. This is underpinned by an in-house CPD programme which allows staff to develop the skills most pertinent to their needs. We are committed to our staff and work in conjunction with the Oxfordshire Teaching School Hub to offer the very best in professional learning for colleagues at every stage of their career.

We recruit staff who:

- Want to be excellent teachers
- Are keen to work together to achieve our shared aims
- Are committed to helping all our young people be the best they can be
- Are reflective practitioners – keen to grow and develop throughout their career
- Are curious about finding creative solutions to tricky problems and building leadership capacity across the whole school

What we will offer:

- **Remarkable behaviour** – we believe in clear routines, appropriate responses and outstanding relationships fuelled by mutual respect and a commitment to excellence.
- **Great curriculum resources** – clear and coherent schemes of work that mean you can spend time thinking about the how rather than the what.
- **Commitment to high quality CPD** – we'll support and challenge you as an individual so you can develop your skills as a teacher rather than feeding everyone the same diet irrespective of their needs and goals.
- **Efficient solutions** – we focus on evidence-based approaches where teacher-time spent is commensurate with student outcomes. This means, for example, that we use methods of feedback that are designed to move learning forward; you should be spending time on things that will make a difference.
- **Staff wellbeing as a priority** – we care about our staff as teachers and as people. Teams work very closely together with a focus on developing practice but also supporting each other in the good times and the bad.

Working in RLT

River Learning Trust (RLT) is a multi-academy trust responsible for 20 primary schools and 10 secondary schools across Oxfordshire and Swindon, as well as a school-centred initial teacher training provider (SCITT) and a teaching school hub.

We are united by our principles and our commitment to working together to achieve excellence in education.

There is something special about people who work in RLT – they care passionately about what they do, strive to deliver excellence, and enjoy coming to work and making a difference to the lives of children and young people.

At River Learning Trust we:

- Have a core principle of 'respectful relationships'. We act with care, integrity, and fairness. We value the health and wellbeing of all staff
- Work with each of our schools to support high quality continuous professional development and learning
- Want you to stay and grow with us. Our schools offer great opportunities for supporting different career paths. Career progression through the trust is something we aim for

Vision, values and strategic aims

Non nobis solum – Not by ourselves alone – Kindness, respect, living without harm

Vision

Gillotts is a high performing school where every student is valued as an individual, and is supported and encouraged to achieve their potential. We pride ourselves on being inclusive of all, developing young people who make a positive contribution to society now and in their future lives.

Values

Dedication to learning

We thrive as learners, embracing challenges and thinking hard. Our rich and broad curriculum, delivered through expert teaching, enriches students' lives. We support everyone, students and staff, to be the best they can be.

Respect and kindness

We treat our students, families, staff and wider community with respect and kindness – modelling our values and wanting the very best for each other.

Integrity and trust

We put ethical leadership at the heart of our work, serving our community with fairness and honesty.

Vision for the medium term

Gillotts School is proud of its successes and proud of its identity. We believe in achievement for all and want to secure the best outcomes for all our learners, without exception. We want to continue to raise students' expectations of themselves and develop them as independent learners, ready for the challenges ahead.

We will build on our success as a highly inclusive and integrated community by enhancing the opportunities for interaction and engagement with the school beyond the planned curriculum, encompassing students' social time within the school day and enhancing opportunities for the use of the school site by the community.

Teaching and learning are at the heart of this school. We see Assessment for Learning as the single most powerful lever for improved teaching and learning, and hence improved attainment and progress. We continue to develop an increasingly personalised approach to CPD recognising that teachers, as professionals, are the best placed to drive their own development.

We will build on our outstanding curriculum, underpinned by a deep understanding of student progress and a commitment to developing the wider skills valued by higher education and employers. Our curriculum will give learners the knowledge and cultural capital they need to succeed in life, whatever their starting point. Knowledge underpins and enables the application of skills – we see knowledge and skills as intertwined.

Seamless, embedded access to ICT supports interaction, collaboration and feedback. We will break down the artificial boundary of the limits of the school day to support the integration of students' learning in school, at home and on the move. A comprehensive and flexible ICT solution is an essential means to this end. Every student has access to a handheld device to motivate and support learning. We will support students to be confident and reflective users of technology, in preparation for their adult lives.

Our motto, “Not by ourselves alone”, will continue to underpin an ethos centred on the core values of kindness, respect and living without harm. We know that students will only thrive in their learning when their basic needs are met and we will continue to work towards this goal, through our extended team which offers outstanding pastoral care and by maintaining and developing our partnerships with external agencies who can provide specialist care and support. We will continue to develop the support we offer to parents to enable them in turn to support us as they work alongside their children.

We have an inspirational site – 33 acres with extensive woodland, on the site of the local manor house, parts of which (including two associated cottages) remain. The school is set on the fringes of the town with extensive views across the Thames valley. We want to use the stunning environment to help excite and inspire students and staff to move the school's performance to the next level, making it an outstanding place to study and work with results securely in the top 10% of schools nationally.

Redeveloping the school environment will enable us to achieve all this by allowing us to maximise the potential of the site. It will support us to meet the challenges we face by ensuring we have buildings that are fit for purpose and so allow us to focus on our core priority of continuously improving outcomes for all our young people.

Strategic aims

The primary function of the school is to serve its students and the local community in the best possible way. Bearing this in mind, together with the overall target of being an outstanding school, the Governing Body and the School will work together:-

Primarily (Aim 1):

- **To maximise achievement through effective and inspiring teaching**

And:-

Aim 2

- **To maintain a distinctive curriculum offer tailored to the needs of our students, ensuring that 21st century technology is used effectively to support teaching and learning**

Aim 3

- **To promote personal development by the provision of outstanding support and guidance**

Aim 4

- **To provide a built environment fit for the purpose of 21st century teaching and learning**

Aim 5

- **To promote Gillotts' position as Henley's first class community school**

This document was adopted at a meeting of the Governing Body on 02 December 2025. It is reviewed annually.

Safeguarding Children

It is the responsibility of all staff to promote and safeguard the welfare of children and young persons for whom s/he is responsible or with whom s/he comes into contact, and to adhere to and ensure compliance with Gillotts School's Child Protection Policy Statement at all times. If in the course of carrying out duties the post holder becomes aware of any actual or potential risks to the safety or welfare of children in the school s/he must report any concerns to the school's child protection officer or to the Headteacher.

Gillotts is committed to safeguarding and promoting the welfare of children and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service (DBS).

Online searches

For all shortlisted candidates, we will carry out an online search as part of our due diligence. The reason for the check is to identify any concerns with suitability to work with children and keep them safe. The search will be carried out by the school's HR Manager and they will only pass on information to the panel that may need to be explored at interview.

A search will be carried out using a search engine using the candidate's name, location and current employer. The purpose of the search is to identify any concerns about a candidate, with a focus on recent time.
