Job Description - Senior IT Technician

Post:	Senior IT Technician
Required:	April 2026
Pay scale and salary:	SO1, SCP 23-25 (£34,434 - £36,363 per annum FTE)
Contract Type:	Permanent, all year round
Hours of work:	Full time, 37 hours per week

Accountable to: Head of IT

Purpose of Role:

To have responsibility for and manage IT support services to a trust Secondary school and provide support to trust Primary Schools, acting as a point of escalation for technicians. Ensuring the effective and efficient support and deployment of ICT resources across trust schools and to assist with IT development projects.

Main Duties:

- To have responsibility for a wide variety of complex IT issues, predominantly at 2nd and 3rd line level
- To manage, take ownership and deliver IT services to a Trust Secondary School
- To act as point of escalation for IT issues that cover both client and infrastructure technologies to a team of ICT Technicians
- Provide support to Trust Primary Schools as needed
- To work on both BAU support and project-based work in tandem with the Head of IT and IT Manager
- To assist the Head of IT and IT Manager with oversight of the trust IT service desk to ensure tickets are dealt with in-line with support procedures and SLAs
- Support IT development projects as required
- Administer and maintain the physical and virtual Server and Storage infrastructure using Hyper-V failover clustering
- Administer and maintain Trust IT infrastructure and services including Microsoft 365, Entra, Intune & Autopilot, Active Directory, Group Policy, DNS, DHCP, LAN/WLAN, firewall, web filtering, connectivity.
- Ensure effective monitoring of infrastructure through pro-active checks and use of PRTG Network Monitor
- Assist the Head of IT and IT Manager with infrastructure capacity planning.
- Administer the operating system and software deployment environment using Autopilot & Intune / MDT & Group Policy
- Assist with the administration and development of the school's use of mobile devices and MDM

- Administer 3cx VoIP system
- Manage relationships with 3rd parties and suppliers
- Administer and maintain backup and disaster recovery systems and processes
- Assist in the administration and maintenance of trust schools Virtual Learning Environments
- Maintain operational documentation
- Contribute to the design, development and implementation of working practices and procedures that enhance the impact of ICT services across Trust schools
- Contribute to the design, implementation, management and monitoring of processes and procedures to ensure effective and efficient delivery of IT services including support, deployment of systems and change across the trust.

GENERIC RESPONSIBILITIES:

- Have due regard for safeguarding and promoting the welfare of children and young people and to follow the Child Protection procedure adopted by the Trust
- Comply with all policies and procedures relating to child protection, health & safety, confidentiality and data protection, reporting all concerns to an appropriate person
- To take a pro-active approach to health and safety, working with others in the school to minimise and mitigate potential hazards and risks, and actively contribute to the security of the Trust sites and network
- To understand the importance of inclusion, equality and diversity, both when working with students and with colleagues, and to promote equal opportunities for all
- Contribute to the overall work and ethos of the organization
- Attend and participate in meetings as required
- Improve own practice through training, evaluation and discussion with colleagues
- Recognise own strengths and areas of expertise and use them to support others
- To participate and engage with workplace learning and development opportunities, subject to the school's training plan, working to continually improve own performance and that of the team/school
- To work across the trust as required
- Any other duties commensurate with the role.

Whilst every effort has been made to explain the main duties and responsibilities of the post, each individual task undertaken may not be identified. The job description is current at the date shown, but may be

changed to reflect or anticipate changes in the job commensurate with the grade and job title.

Person Specification

Detailed below are the types of skills, experience and knowledge that are required of applicants applying for the post. The 'Essential Requirements' indicate the minimum requirements and applicants lacking these attributes will not be considered for the post. The points detailed under 'Desirable Requirements' are additional attributes to enable the applicant to perform the position more effectively or with little or no training. They are not essential, but may be used to distinguish between acceptable candidates.
