Montsaye Academy

Montsaye Academy
The best in everyone™
Part of United Learning

Welcome

Thank you for your interest in becoming the next Principal of Montsaye Academy.

Montsaye Academy is a vibrant, inclusive and ambitious 11-18 school serving the small market towns of Rothwell and Desborough, and surrounding villages in Northamptonshire. Guided by the values of Respect, Honesty and Compassion, it offers a warm, supportive and aspirational environment underpinned by a broad curriculum and strong enrichment opportunities.

The Academy joined United Learning in late 2025, marking an important step in its development and strengthening the work already underway. Staff and pupils have shown real commitment in rebuilding consistency, improving behaviour and raising expectations. The school's improvement journey is underway. Attainment has improved in each of the last two years, more children are making Montsaye Academy their first choice of school, and the sixth form is growing.

We are now seeking an inspiring Principal to lead this next phase of development. The successful candidate will bring strategic vision, high expectations and the ability to drive sustained improvement at pace. As a values-led leader, you will be able to build trust, motivate staff and secure the highest standards for all pupils, including those from disadvantaged backgrounds, helping Montsaye Academy move confidently into its next chapter.

United Learning is a big group of schools – with over 75,000 pupils and more than 10,000 staff – so we have the capacity to support you educationally and operationally. At the same time, we are values-led and base all that we do on good relationships. Reporting directly to the Regional Director, you will be supported both personally and professionally, benefitting from the strength of a national group supporting your development and that of your staff and school.

We are committed to fairness, diversity and inclusion. We are currently working hard to improve representation of black, Asian and minority ethnic leaders at headship level and to raise our proportion of women leaders to match their representation in our wider workforce. Whoever you are, if you have a strong track record of improving young people's education and a drive to do more, we very much look forward to hearing from you.

With best wishes,

The Academy

Montsaye Academy is an inclusive and welcoming school that aims to live the United Learning value of 'bringing out the best in everyone'. Warm, supportive and rooted in its community, the Academy offers a broad, knowledge rich curriculum from Year 7 through to Sixth Form, underpinned by a culture of Respect, Honesty and Compassion, values which sit at the heart of all aspects of school life. The Academy has five pledges for both pupils and staff, which underpin the simple vision 'to be a successful school of character and excellence'.

Staff work with real dedication to secure the best possible outcomes for their pupils, drawing on strong pastoral systems, a growing emphasis on reading, and an improving learning environment. There is significant funding from the DfE to improve the building and its facilities, including Montsaye Academy's dedicated Community Sports Centre, featuring a newly laid 3G pitch, a swimming pool, indoor courts and a dance studio. This further enriches the pupils' overall experience and supports their development beyond the classroom, as well as serving the local community.

The Academy encourages all pupils to develop confidence, character and ambition through well-structured lessons, clear expectations and wide-ranging opportunities. Pupils benefit from an active programme of extracurricular activities, educational visits and leadership roles which help them grow as independent and responsible young people. The Academy also offers a thriving Combined Cadet Force (CCF), providing further opportunities to build teamwork, resilience and leadership through challenging and exciting activities.

Montsaye Academy is a school with significant potential on a continuing improvement journey. The Academy joined United Learning in late 2025, marking an important step in its development and bringing additional capacity and expertise to support school improvement. Early progress is already evident in the strengthening of leadership, greater consistency across the school, and improved behaviour and expectations. The new Principal will play a vital role in leading and accelerating this momentum, ensuring that the school's values are lived every day and that all pupils receive the high-quality education they deserve.

Montsaye Academy serves a diverse, semi-rural community, with a notable number of disadvantaged pupils and those requiring additional support. This context demands strong leadership, high expectations

and a deep commitment to inclusion to ensure that every stage of a child's education prepares them for future success. United Learning will work closely with the Principal to build a culture where good behaviour enables great teaching, and where high-quality curriculum, assessment and professional development support consistently strong learning. A committed and supportive Local Governing Body is in place and will work closely with the Principal and Regional Director.

The Academy is part of our Northamptonshire and North Oxfordshire Cluster, working collaboratively with Northampton Academy, Kettering Buccleuch Academy, Campion School and North Oxfordshire Academy. The cluster benefits from the skills and expertise of an Executive Business Manager and dedicated IT, site, HR and marketing support, with further benefits of clustering in ongoing development.

This is an excellent opportunity for an ambitious and dynamic leader to build an exceptional school. United Learning will support you with the expertise of a Regional Director, alongside a highly effective team of subject advisers and central services for finance, HR, estates and other functions. You will also benefit from our knowledge rich mastery curriculum and common assessment package, enabling school leaders to gain deep insight into student performance and compare outcomes with thousands of pupils across the Group.

The successful candidate will join a network of Principals who collaborate, challenge and support one another. We are looking for a leader who is aligned with the United Learning Way – our shared set of guiding educational principles.

We strongly encourage you to visit the Academy before applying to gain a genuine sense of the school. To arrange a visit or discuss the role further, please contact Geoff Morris on 07811 345 638 or at geoff.morris@unitedlearning.org.uk

About United Learning

United Learning is a group of schools which aims to provide excellent education to children and young people across the country. We seek to improve the life chances of all the children and young people we serve and make it our mission to bring out ‘the best in everyone’ – pupils, staff, parents, and the wider community. We uniquely comprise schools in both the state and the independent sectors.

As a group, we can offer more to both staff and young people than any single school could offer alone. The growing range of outstanding group-wide activities that we can provide will mean that more young people will have truly exceptional and inspiring experiences.

We believe that our group contains the most developed relationships and practical interaction between independent and state schools in the country, creating benefits for all the schools involved.

United Learning comprises both United Church Schools Trust, which operates our fee-paying independent schools, and United Learning Trust, which operates our state-funded academies. To find out more about United Learning, please visit the website www.unitedlearning.org.uk

As part of United Learning, Montsaye Academy will share the objective of bringing out ‘the best in everyone’, enabling each student to become a balanced, happy and articulate person with intellectual freedom, confidence, compassion, integrity and a lifelong love of learning.

Our Ethos

Our approach to education is underpinned by a sense of moral purpose and commitment to doing what is right for children and young people. We believe in supporting our colleagues to achieve excellence and in acting with integrity in all our dealings within and beyond the Group. We believe the safety and welfare of all children and young people is paramount. We summarise this ethos as ‘the best in everyone’ which underpins our core values:

Ambition – to achieve the best for us and others.

Confidence – to have the courage of our convictions and to take risks for the right cause.

Creativity – to imagine possibilities and make them real.

Respect – of ourselves and others in all that we do.

Enthusiasm – to seek opportunity, find what is good and pursue talents and interests.

Determination – to overcome obstacles and achieve success.

As a single organisation, we seek to bring together the best of independent and state sectors, respecting both traditions and learning from each other. We believe that each of our schools is and should be distinctive – committed to developing its own strengths and identity while sharing our core values to promote service, compassion and generosity.

Continuing Professional Development

We believe that successful organisations make a priority of developing their staff; all the more so in education, where the people of the organisation are its most important asset. While the development of all staff is important, we make the support and professional development of Heads and senior leaders a particular priority, given the impact that leaders have on the life of staff and pupils alike.

We work on the basis that each of us, however effective, can always improve. The successful candidate of Montsaye Academy will be set personal development objectives with the Regional Director each year and will be supported to achieve them.

The Principal will also be asked to take a role in supporting the leadership of the whole organisation, working with other Heads in the

Group, and sharing ideas and practice with one another.

They will also have the benefit of accessing a range of networks, including the Group Education Forum, which brings together Heads from across the Group six times a year. United Learning are passionate about staff development, for example we provide 360-degree feedback as part of professional development, and we have also commissioned training programmes from major universities.

We believe that schools are at their best when they are autonomous and able to develop a distinctive ethos, reflecting the needs of their pupils and the context within which they work. The Group can get behind the work of Heads and leaders in schools through creating strong networks, providing outstanding educational support and professional development, and by taking the strain of professional functional support. We aim to ensure that the technology, finance, HR and data support is provided more effectively and efficiently than would otherwise be possible, so that Principals can focus on educational leadership.

The newly appointed Principal at Montsaye Academy will also benefit from a comprehensive induction programme which has recently been reviewed to ensure it is effective and to promote success.

Our Framework for Excellence

To achieve our mission, our schools prioritise five key principles:

1 The best from everyone

2 Powerful knowledge

3 Education with character

4 Leadership in every role

5 Continuous improvement

Our aim is to bring out 'the best in everyone'. So, we must expect the best from everyone, all the time. Every child is a special individual, capable of extraordinary things. Who can know the limits of any child's potential?

Our Framework for Excellence

'The best from everyone'

Our aim is to bring out 'the best in everyone'. So, we must expect the best from everyone, all the time. Every child is a special individual, capable of extraordinary things. Who can know the limits of any child's potential? So, we expect unreasonably – we constantly challenge children to do what they think they can't, to persist, to work hard and to be at their best.

From every adult we expect the same: that they are at their best, expect unreasonably of themselves, are determined and resilient and pass those expectations on to the children in all they do. We act with the utmost love, care and good faith – the highest standards come with the greatest attention to the wellbeing of all.

'Powerful knowledge'

Our most important purpose is to teach young people things they would not learn outside school, which free them to think and act more powerfully in their lives. Words and numbers are our most powerful ways of representing the world. Mastery of language and fluent mathematical skills are therefore our top priority. We aim to prepare young people to make a success of their lives: a core entitlement to subject-based learning; the development of talents; an understanding of work and society.

Worthwhile learning is often hard. Inspiring teaching is what gives access to difficult concepts and the thrill of intellectual discovery. Powerful knowledge is not static or backward-looking. It includes the ability to critique, challenge the status quo, think and learn.

'Education with character'

Academic success is very important. Exam passes are an important aspect of that. But there is more to a good education. Our schools also aim to develop character, compassion and service. Young people are expected to contribute to their school and to society; to try things which they think they cannot do; to persist in the face of difficulty; to become resilient in overcoming obstacles; to manage themselves; to

work independently on things which challenge them; to work with others and in teams; to be courageous and caring; to lead.

We want young people to look back on a joyful schooling which has inspired and challenged them, given them wide opportunity and prepared them for the ups and downs of life.

'Leadership in every role'

Our children are leaders of the future. We expect them to start today – taking advantage of structured opportunities to lead and taking responsibility for themselves and others. Every adult in the school is a leader. In every word, tone and gesture, they set direction and expectation. We expect every adult to take responsibility and the initiative to do what is right for the children.

All those in formal leadership positions create the climate in which others work. They demand the highest standards, build a performance culture, develop their teams and create the space for others to lead. All leaders listen, grow relationships, act with integrity and care and expect the best from themselves and others in building a happy, confident school.

'Continuous improvement'

However good we are, we can be better. We constantly look for improvements and implement them with pace. We look for ideas for improvement inside the organisation and out; we observe one another; we steal good ideas with pride and look to make them better; we work together to improve.

We always look at the evidence and are rigorous in evaluating impact. We stop or change things which aren't working; we improve things which are. We aim for high leverage, high impact for low effort and low cost. We constantly look to have more impact for less cost and effort and to spend every pound wisely.
