

# Passionate about inclusive education?

## Become a school governor.

Come and help us become a national centre of excellence for autism. You will join a small, friendly team of Governors who provide support and challenge to the school. In particular, we are looking for a Governor to support with safeguarding. Find out more about us on our website: <https://www.springfields.wilts.sch.uk/>

### We are looking for someone:

- With the interest and inclination to learn about school governance, particularly safeguarding.
- Committed to inclusion and achieving the best outcomes for autistic children.
- Able to visit the school 3 times a year.
- Who will work closely with the safeguarding team.

Experience in education/school governance is useful, but not essential. You will be supported by a range of internal and external training. This is an unpaid, voluntary role.

### Why become a school governor?

- You will join a team of 10-12 governors who meet once per half-term (hybrid options are available for meetings).
- You will feel part of a friendly and inclusive school.
- Make a difference to young people by supporting school development.
- Benefit from a range of training opportunities.

For further information, please contact the Chair of Governors, Sandy Chase:
