About Stamford Welland Academy

Headteacher: Mrs Vicky Lloyd

I am proud to be the Principal of Stamford Welland Academy where every child is known, valued, and supported to achieve above and beyond their potential. SWA has grown significantly in the last few years into the 'school of choice' for Stamford and the surrounding areas. We have a reputation for genuinely caring for the young people we teach and nurturing them to become the best version of themselves. Parents recognise the exceptional pastoral care that we provide and combined with superb teaching; we offer a truly 'whole' education for young people. This approach has resulted in not only fantastic GCSE results, but perhaps more importantly, young people who feel confident, happy, safe, members of our school family.

Our curriculum in each subject is carefully crafted and sequenced to ensure all students make progress regardless of starting points. Our subject leaders are experts and enthusiasts bursting to take our students on exciting journeys through each curriculum area.

As an inclusive school, there is superb support for those with additional needs and as a result, they achieve excellent outcomes.

A school where every child is valued – regardless of their background or ability

A school where all talents are nurtured and valued – every child has something to offer the world, it's our job to discover and nurture whatever that may be

A school which prepares young people for life beyond Stamford – not just academically, but as 'whole' people ready to contribute to society

A school which is so much more than an 'exams factory'

A school where the parallel curriculum contributes extensively to the students' education and experience

confident, well-educated and well-rounded members of society

A Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long term projects matured and our relationship with Sharnbrook Academy Federation emerged.

We are currently a family of 30 academies (including 14 primary, 3 special and 13 secondary schools). The secondary schools include a University Technology College, an Upper School, four 11-16 schools and six 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a strong commitment to growing and supporting staff throughout their training and career development. We have a

proven track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.
