Thank you for the interest you have shown in the post of Teacher of Business and IT at Bradford Girls' Grammar School. I hope that the information found within this pack and on our website will encourage you to submit an application.

Bradford Girls' Grammar Secondary School is a well-regarded school of around 690 students, located in the outskirts of Bradford city centre.

Established in 1875, the school is rich in history and has a strong record of providing an outstanding education. Previously a girls' independent school, Bradford Girls' Grammar School became an Academy Free School in 2013. In January 2023, the school joined the Bradford Diocesan Academies Trust (BDAT).

From establishment until 2024 the school has been an all-through school admitting students from ages 5-16. In September 2024, Bradford Girls' Grammar School officially de-amalgamated from Lady Royd Primary School becoming an 11-16 Academy educating 690 wonderful young ladies.

There are many strengths of the school; teaching quality is good across the school leading to outcomes that are above national; we are an inclusive school; and our students have an excellent work ethos.

Our school motto: *Aspire, Succeed, Lead*, defines our mission and we expect students to leave as future leaders; confident to take on challenges and to make a difference on a world platform.

Our values of Accountability, Self-Confidence, Perseverance, Integrity, Respect and Empathy define how we operate and what we expect from students and ourselves. We are ambitious, have high expectations of ourselves and others and work together supportively, as a cohesive team.

We offer fantastic support and professional development to staff which ensures that they are equipped with all the necessary skills to deliver excellent lessons to the students daily. We are part of Bradford Diocesan Academies Trust (BDAT), which provides extensive CPD and career opportunities for staff, whilst also retaining the values, special character and history of Bradford Girls' Grammar School.

Please read the application pack carefully and if you believe that you are the right person to fill the role and that your values are aligned with ours then we welcome an application from you.

2. Bradford Diocesan Academies Trust (BDAT)

Bradford Girls' Grammar School is an academy within Bradford Diocesan Academies Trust. If you are successful in being appointed, the Trust will be your employer.

General Information and Background

Bradford Diocesan Academies Trust (BDAT) is a Multi-Academy Trust (MAT) supporting 21 schools in Bradford. We are a Trust which prides our self in delivering great education outcomes and life opportunities for all our children. We are an inclusive Trust working with children from a rich range of backgrounds who reflect our communities and the city we serve. We are proud to be all about Bradford and developing the future generation of lifelong learners who will go on to achieve incredible things.

BDAT is a Trust which recognises each of our schools is unique. We actively encourage and celebrate difference as we know each of our schools serves very different communities. However, we also know that a key strength of being part of a Trust means together our schools can support each other, learn from each other and share great practice.

We are a Trust which is value-led and we know it is important that we consistently live these values. The Trust's mission is "to provide education of the highest quality within the context of Christian belief and practice." We strongly believe every child only has one chance at a good education.

Our core Trust values are inclusion, compassion, aspiration, resilience, excellence (I.C.A.R.E.). We seek to model these values in all we do, including how we recruit and develop our staff, how we teach our students and how we liaise with our families, friends and partners. We are a proudly Christian organisation committed to providing high-quality education for all within our ethos. Whilst robust Christian principles underpin the work of the Trust, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. We describe ourselves as having inclusive values, believing these are as appropriate and important to staff and students of all faiths (and to those without faith), as they are to those who practice within the Church of England. It is for this reason we choose to support and sponsor Non-Church of England Academies, as well as those within the faith. Therefore, we welcome applications for this role from employees of all faiths as long as they understand and can promote the values which we share.

BDAT is a large Trust, however we pride ourselves in knowing and understanding our schools. We are all part of the BDAT family, and we all have the same motivation – to see our children succeed. For more information about us follow us on twitter @wearebdat or visit www.bdat-academies.org
