Turing House School, 221a Hospital Bridge Rd, Whitton TW2 6LH

Teacher of Mathematics & Computing

Full time, Permanent

Salary: MPS1 – UPS3

Job Profile

Core Purpose

- To teach Mathematics and Computing to students across Key Stages 3 and 4, ensuring high standards of teaching and learning.
- To support the delivery of the curriculum through the scheduled teaching programme and provide cover for absent teachers in emergencies.

Key Responsibilities

- Plan and deliver engaging lessons in Mathematics and Computing to students of varying abilities.
- Assess, track, and record students' progress, prepare reports, and participate in parental consultations.
- Support and contribute to the school's pastoral system.
- Participate in the school's performance management scheme and reflect on personal practice for continuous improvement.
- Attend meetings and undertake duties as reasonably required.
- Observe and implement current school policies and promote good practice.
- Engage in in-service training to stay up to date with curriculum developments and school initiatives.
- Carry out any other duties as the Headteacher may reasonably direct, in line with the Teachers' Pay and Conditions of Service Act 1987.

Safeguarding

- Uphold and promote the welfare and safety of all pupils in accordance with Keeping Children Safe in Education (KCSIE) guidance and the school's safeguarding policies.

Person Specification

Qualifications and Training

- Qualified Teacher Status (QTS)
- Degree in Mathematics, Computing, or a related subject
- Evidence of ongoing professional development

Experience

- Successful teaching experience in Mathematics and/or Computing, ideally across Key Stages 3 and 4
- Experience of planning, delivering, and assessing high-quality lessons

Skills and Knowledge

- Strong subject knowledge in Mathematics and Computing
- Understanding of effective teaching and learning strategies
- Ability to assess student progress and provide constructive feedback
