Simon Garrill
Chief Executive Officer

Thank you for taking the time to look, and for showing an interest in one of the roles in our schools. In a long career in education, starting out as an English teacher, I have loved the fact that I get to work with some fantastic young people and a group of likeminded professionals who have a real passion for their work and share the same values. There are not many professions where that is the case.

We are driven by our desire to do the best for our young people. Our reason to exist is to improve outcomes, transform lives and enable social mobility. Our values of trust kindness and endeavour underpin our work, and we succeed through ensuring a healthy culture and academic rigour. This emphasis on leadership involves nurturing a robust pipeline of leaders deeply committed to our values and mission. Collaborative partnerships are integral to our goals, as we seek to forge strong partnerships to amplify our impact.

At Orion Education, we take pride in the work that we do to develop our teachers and our leaders. Our approach to instructional coaching and leadership development has been recognised nationally. We are at the forefront of a coaching model that supports you in making the most of your career. Our expectations of ourselves and each other are high. In return we offer you unrivalled professional development, so that you can fulfil your own ambitions. Finally, I am extremely grateful for your interest in our Trust. We are moving forward at a rapid rate, and it is an exciting time to join us.

Our Four Critical Questions

Why do we exist?

To improve outcomes, transform lives and enable social mobility.

Trust • Kindness • Endeavour

How do we behave?

What do we do?

We create a strong network of schools which transform the lives of students by enabling them to achieve high educational and personal goals, regardless of their background.

Through a clear backbone, strong culture, academic rigour and smart systems.

How do we succeed?

Mission & Values

All schools share the trust four critical questions. We exist to improve outcomes, transform lives and enable social mobility.

Curriculum

The curriculum within our schools is designed around our principles of focused, coherent, sequenced, and inclusive. Where we can enhance collaboration and reduce workload, we standardise some elements. However, teachers do adapt the curriculum based on the needs of the students in their class.

Assessment & Feedback

Our assessment and feedback calendar captures the rhythm of our assessment and data collection. Data driven instruction and responsive teaching ensure that formative assessment is central to pedagogy.

Safeguarding & Attendance

Safeguarding is the responsibility of all. Our standardised approach to safeguarding and the support that we give our schools ensures that all children are kept safe. External reviews scrutinise the work that we do.

Quality Assurance

Our school workflow captures the rhythm of the work that we do. We undertake regular cycles of structured monitoring to ensure that our schools are accelerating the progress of the students in their care.

CPD

We allocate 7 training days to the teachers in our schools. All our teachers take part in instructional coaching. In addition, we provide enhanced levels of training for our leaders to develop their expertise in their current role and to prepare them for their next role.

Workload

Schools are expected to streamline workload as much as possible. We limit the number of assessment points within our calendar and ensure that teachers do not undertake unnecessary administrative tasks.

Teaching

Teaching is responsive to the needs of pupils. Our lesson framework based on the Rosenshine principles helps teachers to frame learning. However, we understand that each lesson will be different and will be designed to meet individual needs of pupils with adaptive teaching.

Behaviour & Routines

It is essential that we have the highest expectations of behaviour within our schools. Good discipline and order are the foundation upon which pupils learn. Our common culture rubric and our behaviour, along with a codified approach to routines ensures that our schools are great environments in which to learn and teach.

SEND

Adaptive teaching is at the core of our approach to meeting the individual needs of pupils. We share best practice and undertake annual reviews of SEND to ensure that pupils make progress. All our schools are open and welcoming places for pupils with SEND.

Performance & Appraisal

We share a common approach to performance management and appraisal by providing a highly supportive and professional environment. Our talent programme ensures that colleagues who are talented and ambitious to progress are supported to do so.

Operations

We take pride in running our schools well. Governance, IT, estates, finance, communications, and marketing are all within our Backbone.

The Orion Backbone

The Orion Backbone provides clarity on the elements of our schools that are standardised or aligned.

Our Schools

There are currently four secondary schools and four primary schools within the Trust. Four of the primary schools and three of the secondary schools are located within Bromley, Southeast London. A further secondary is close to Canterbury in Kent. These schools include:
