About Sawtry Village Academy

I have spent all of my working life in education, with the majority of this time spent in Sawtry, and I am delighted to welcome you to our team. Sawtry is committed to providing a high quality educational experience in a school that puts learning and individual achievement at the heart of everything it does. It has been an exciting period of rapid improvement and development for both staff and students at the Academy, since joining Meridian Trust in April 2015.

Sawtry Village Academy has high expectations of all its students and in return offers a high-quality education at the heart of its local community. We develop our students into successful, confident, responsible and employable citizens whilst providing a nurturing and supportive hub for students, their families and the wider community.

Following the most recent Ofsted inspection, in October 2023, it is evident that students at Sawtry Village Academy benefit from good teaching by staff who have good subject knowledge and who continuously enhance their teaching skills to ensure the best possible progress and attainment outcomes for all students.

There is an excellent standard of student care provided across the Academy by all staff and this ensures high aspiration for student attainment can be realised. Students benefit from following a broad and balanced curriculum which facilitates the development of the important skills of leadership, teamwork and co-operation through participation in a broad range of opportunities beyond the classroom such as sport, music and community involvement. In addition we expect students to engage in the completion of PLEDGES.

We expect students to work hard, developing resilience when the going gets tough and together we will celebrate their progress and achievements, whatever their level of success. We know that learning is at its best when staff, students and parents work closely together, and it is a privilege to be sharing the responsibility of educating the young people in our care with you.

The academy is underpinned and supported by the ethos and values of Meridian Trust. The core of this philosophy is:

- Achievement for all
- Valuing People
- A high-quality learning environment
- The pursuit of excellence
- Extending the boundaries of learning

I look forward to collaborating with you in the future and hope that you will join us in achieving the aim of knowing and supporting every student to achieve and enjoy their school experience.

A Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long term projects matured and our relationship with Sharnbrook Academy Federation emerged.

We are currently a family of 35 academies (including 19 primary, 3 special and 13 secondary schools). The secondary schools include a University Technology College, an Upper School, four 11-16 schools and six 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a strong commitment to growing and supporting staff throughout their training and career development. We have a proven

track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.
