# Active Learning Trust

## Overview

Our multi-academy Trust was originally established in 2012 and is currently made up of 1,600 staff across 19 schools in Cambridgeshire and Suffolk, serving nearly 8,500 young people and their families. Our shared Trust mission of delivering excellence to ensure our young people can thrive and prosper is at the heart of everything we do.

Our trustees fulfil their duties through our Trust Leadership Team, which includes our central team and school leadership teams, working together as one unified organisation with joint accountability. We have an established central team that is not only knowledgeable but also driven by an imperative to deliver the very best for the young people in our care.

At Active Learning Trust, we are restless for excellence and improvement so that our children can thrive and prosper. Deeply rooted in the heart of our communities, people choose to join our trust because we make a difference. We explore the art of the possible to find the right solutions for our children, our people and the wider education sector.

## Our Team

Our team is made up of experts across all specialist areas, including education, finance, HR, communications and marketing, estates, governance, procurement, data and IT. Their skills allow us to deliver shared savings and, more importantly, provide essential services to schools, enabling school-based leadership to focus on improving outcomes for pupils in the broadest sense.

- We know our schools exceptionally well and we offer both honest reflection and evaluation of our strengths and areas for improvement.
- We have clear and appropriate plans for continuing to improve the quality of education and pupil achievement.
- We encourage and celebrate the individual characteristics of each of our schools and provide them with a good balance of autonomy central oversight and accountability.

## Our Values

At the heart of our Trust are five core values that shape our culture and guide every aspect of our work. They influence our interactions, decisions and strategic direction, and they unite our school communities.

### Active Learning Values

I aspire, we achieve

We're curious, creative and bold

A family, not a house share

Comfortable being candid

Humour, humility, humanity

“

*ALT has put a lot of work into developing genuine shared values which you can see starting to come through all the schools. This feels very powerful. Despite the geographical distance between schools, there is real sense of the greater good with school leaders constantly supporting one another where needed. It is a particular privilege in my role to be able to identify and spread excellent classroom practice from school to school. People in this Trust are happy, and there is a widespread feeling of exciting times ahead.*

Academy Improvement Lead

# Our Schools

Active Learning Trust encompasses 19 schools – eight in Cambridgeshire and 11 in Suffolk – including two special schools, two secondary schools, one all-through school and 14 primary schools. Of these, one special school and four primaries converted to academy status, while the remaining 13 operate as sponsor-led academies. Four of our schools opened as new establishments, gradually increasing their pupil intake year by year.

Our schools fall naturally into three designated geographical sub-regions – Ipswich, the Lowestoft area, and mid Cambridgeshire. This allows the Trust to apply so-called 'hub' level school-to-school support and collaborative working along with other mutually supportive arrangements. The synergy this creates has become a key way of working for Active Learning Trust teams and continues to develop further over time.

- The proportion of disadvantaged pupils in the Trust is above that found nationally.
- The proportion of pupils with an Education Health Care Plan is in line with national averages.
- The proportion of our pupils with Special Educational Needs and/or Disabilities and who speak English as an additional language are below national average.
