WELCOME FROM THE CEO

Shane Ierston
Chief Executive Officer

At the Great Schools Trust, we hold a simple belief: teachers deserve the space, support and trust to do what they came into this profession to do. To inspire young minds and to shape the future with hope and purpose.

This year has reminded us of the extraordinary things that happen when we work together with shared belief and a deep commitment to helping every child flourish. Innovation has been at the heart of this, especially our new AI-powered assessment platform, which is now rolling out across the Trust. It is already saving teachers hundreds of hours each year. That is not just a technological achievement. It is time genuinely returned to you.

Less pressure, fewer late nights and more energy for the work that truly matters.

No teacher enters this profession expecting to battle endless admin. They choose this path because they care. Our responsibility, as a Trust, is to make sure you can keep doing what you love, supported, valued and encouraged every step of the way.

Over the past year, we have continued to build a culture where people feel heard, respected and safe to grow. Our recent Edurio survey placed us in the top ten trusts nationally for staff wellbeing and organisational values. This reflects the warm relationships, thoughtful leadership and collective purpose that define our community. It also speaks to the consistency across our family of schools. All our academies are judged Ofsted Good or higher, something we are proud of because it represents the everyday dedication of our staff.

As our people thrive, so do our students. Across our academies, we are seeing outcomes that challenge expectations and transform futures.

With 70 percent of students entering the English Baccalaureate and several schools closing the Progress 8 gap between disadvantaged and non-disadvantaged students, our belief in social mobility is more than a vision. It is becoming a reality.

If you are considering joining us, we would love you to know this: you are not just stepping into a job. You are joining a community. A community that invests in you, trusts you and stands beside you. You will be welcomed into a family that celebrates your strengths, supports your growth and believes in the difference you can make.

Credo, Credimus:
"I believe, we believe."

We believe in every child.
We believe in every member of staff.
And we believe in what we can achieve together.

Shane Ierston, CEO
