Closing date: Monday 18 May 2026 at 9am
Interview date: Wednesday 20th May 2026

We reserve the right to close advertisement early. Advertisements will therefore close the day the decision has been taken to close the advertisement early.

Notre Dame High School is an 11-18 highly successful and oversubscribed Roman Catholic school with Academy status. We are part of the St John the Baptist Catholic MAT, one of only 37 EEF Research Schools nationally and a newly designated Teaching School Hub.

We are seeking to appoint an enthusiastic and committed Teacher of Physics to teach science across Key Stage 3 and to specialise in Physics at Key Stage 4. The post may also include A-level Physics teaching for the right candidate. There is potential for this role to be full-time, with a second subject. Applications from trainee teachers who will be qualified by September 2026 welcomed. The advertised hours would be increased for an ECT in order to accommodate induction support.

This is an exciting opportunity to join a positive, forward-thinking and creative team in a high-achieving and well-resourced department. Notre Dame offers both Triple and Combined science at GCSE, with significant numbers of students taking up one or more A-level science. The Physics department has a proven track record of excellent student outcomes.

Join us at Notre Dame and benefit from:

- a culture which values respect, honesty and kindness;
- great training, leading to great professional development and career progression;
- an outstanding quality of relationship between pupils and staff, and between pupils themselves;
- a driven focus on reducing teacher workload.

For an application form and further details including a job description and person specification, please visit our website at www.ndhs.org.uk.

Preliminary visits to the school or discussions regarding the post are welcome by arrangement with Mr Chris Moore, Head of Science cmoore@ndhs.org.uk

Notre Dame High School welcomes applications from members of minority ethnic communities and those with disabilities.

We are unable to provide sponsorship for this position, so please ensure you have the right to work in the UK before you apply.

The school is committed to safeguarding and promoting the welfare of children and young people and we expect all staff and volunteers to share this commitment in accordance with safer recruitment practices and the statutory guidance in Keeping Children Safe in Education. Successful applicants will be required to provide references and undertake an Enhanced Disclosure and Barring Service (DBS) check and comply with the Safeguarding Policy and Child Protections practices of the Trust.
