John Hampden  
Grammar School

# Our School

Welcome to John Hampden Grammar School – a thriving, innovative boys Grammar School where everyone can **#BeMore**. We are a friendly and caring community of over 1200 boys and 125 staff who all support each other to be the best we can be.

John Hampden really is a special place to work and this was recognised in our Outstanding Ofsted report in September 2022. The report noted that our boys are **“ambitious, confident, happy and kind”** and **“they behave exceptionally well and display exemplary character”**. *In addition **“teachers challenge and nurture all pupils”** and **“Leaders have designed a rich and ambitious curriculum for all year groups and for all pupils, including for those with special educational needs and/or disabilities (SEND).”***

We are not an 'exam factory' and recognise that a student's mental wellbeing and happiness contributes to their overall success. The JHGS staff, parents/guardians and Governors are committed to ensuring that every student exceeds his potential whilst having the time of his life, making memories, and building skills to equip him to be successful through his future years.

Staff are supported in their roles through Department Heads, and SLT links, with wellbeing at the heart of staff satisfaction and the positive morale which we pride ourselves on. A comprehensive CPD programme allows for staff members to grow personally and professionally and broaden their skills in their specialist areas allowing them to #BeMore in ways individual to them and their personal and department goals.

I look forward to receiving your application to join JHGS.

# Meet the Department

Design and Technology is moving on an upwards trajectory at JHGS. Following an extensive refurbishment, we are looking to develop the department into the best in the local area and for JHGS to be the first choice for students wishing to study Design and Technology. Furthermore, we now offer Food Preparation & Nutrition at GCSE level with specialist teaching in this area.

## **Accommodation:**

We have three large well-resourced workshops; two wood and one metal, as well as three linked computer based design rooms. We have one laser cutter and two 3D printers to complement the study of CAD/CAM. Food Technology is taught in a large well-resourced kitchen classroom. The department also has a dedicated Sixth Form design room and a large exhibition space. The refurbishment of the department was completed in October 2020.

## **Staffing:**

The Head of Design and Technology, two full time teachers and one part-time teacher currently work in the department. The department has three full time technicians to assist with material and food preparation as well as supporting with practical work.

## **Curriculum time:**

In Years 7 and 8, there are three timetabled hours of Design and Technology each fortnight; two for DT and one for food. Students choose their GCSE options in Year 8 meaning the full GCSE course is taught over Years 9, 10 and 11. In Years 9 and 10 each group has four timetabled hours every fortnight, increasing to five hours in Year 11. At GCSE we offer Design and Technology and Food Preparation & Nutrition. In Years 12 and 13, students have eight timetabled hours of A level Product Design each fortnight. These lessons are evenly split to deliver the NEA work and examination preparation work covered by separate specialist teachers. Design and Technology is an increasingly popular subject at JHGS.

# How to apply

## Safeguarding

JHGS is committed to safeguarding and promoting the welfare of children and young people. All staff are required, before taking up post, to undertake an enhanced criminal record check through the Disclosure and Barring Service (DBS). Candidates for teaching and support staff posts will be assessed at interview for their suitability to work with children. Appointment is conditional upon at least two satisfactory references which include specific comments on working with children and young people. All staff at the school have a responsibility to promote and safeguard the welfare of students at the school.

All Applicants must fully complete a JHGS Application Form to be considered for a role at our school, in line with our safeguarding protocols. CV's may be submitted in addition to the application form in order to supply any additional background information. All information within your application will be treated in confidence.

If you have any queries with regards to the role or recruitment process, please contact the HR Team on [recruitment@jhgs.bucks.sch.uk](mailto:recruitment@jhgs.bucks.sch.uk)
