Totley All Saints School is an extremely special school and is well loved by its children, staff and parents! We are a school which is part of the Diocese of Sheffield Academies Trust and we are proud to serve the community of Totley. We seek to provide a world class education for every child through a high-quality curriculum and fantastic teaching.

Our most recent **Ofsted inspection (February 2026)** recognised the strength of our provision across the school. Inspectors noted that *pupils, including those with special educational needs and/or disabilities, make rapid progress and achieve highly, within a caring community where pupils feel safe, valued and motivated to attend.* Teaching, behaviour, attendance and achievement were all judged to be **strong**, reflecting the high expectations we have for every child and adult in our school.

We believe by ensuring every child is cared for and happy, they can achieve their potential and go on to achieve great things. We are welcoming and inclusive: a school where everyone is valued for their special talents and qualities and are valued and loved as a unique individual.

These values are evident in all aspects of our learning and behaviour. The values, alongside a strong Christian ethos, support our children, develop into lifelong learners who are resilient, socially skilled, and successful in all aspects of their lives. We are an Academy within the Diocese of Sheffield Academies Trust and actively engage with the many development opportunities across the trust.

We are keen of course to continue to fill our school with great teachers and teaching assistants who believe that EVERY child can achieve.
