The Oxfordshire Hospital School is an all through maintained special school with a special responsibility for preparing the young people we teach for their futures, whatever they may bring and regardless of the challenges that face them. OHS is a school where time is precious and where every learning opportunity must count. All teaching at our school is 1:1 or in small groups and is entirely personalised and pupil-focussed.

We are looking for a highly committed, passionate and skilled administrator to join and enhance our brilliant team of staff, who will be based at Oxford Children's Hospital.

We are looking for a staff member who:

- Has the ability to work to a high degree of accuracy when dealing with data entry.
- Is able to be flexible to work across our other setting offices when required.
- High degree of confidentiality and awareness of safeguarding and data protection principles.
- Has willingness to work to support staff who teach in a busy and often stressful environment.
- Is able to confidently speak and write to professionals from partner schools and NHS Trusts and to families of the pupils.

Full support and appropriate training is available to help the successful candidate settle into the school team.

We would encourage and warmly welcome enquiries and will try to accommodate visits as best we can. Please contact Eva Marino, School Business Manager on eva.marino@ohs.oxon.sch.uk or tel 01865 957480 should you require any further information.
