Raising Aspiration

At Castle Hall we work hard every day to deliver academic excellence, develop character and raise aspirations in everything we do. We exist to tackle educational disadvantage. We have high expectations of students and staff and strive to become better every day creating exceptional learners.

The Lunchtime team is a high performing team with strong values, work ethic and mutual sense of purpose. They care about the little things, enjoy collaborative working and share unrelentingly high standards.

We have invested significantly in our buildings and environment in recent years with upgrades to all teaching rooms, new heating and windows as well as refurbishment to our science block and a brand-new gymnasium.

We value staff wellbeing and are constantly seeking ways to support and develop our staff body. We have no staff meetings outside of the Academy Day and also, have a 1:25pm finish on a Friday.

I am proud to be Headteacher at Castle Hall Academy. I believe that all students deserve access to a world-class education. We have worked hard over the last 5 years to improve the provision for our students and community and the students at Castle Hall are now making excellent progress. I tell students frequently how lucky I am to be part of such a fantastic Academy with amazing students, if you too would like to be able to say the same then Midday Supervisor could be the job for you!
