The Arden Multi Academy Trust

It started with our belief in high quality and dynamic education for everyone, right in the heart of our community. That desire has grown into Arden Multi-Academy Trust (AMAT).

The Trust was formed in April 2015 with a clear vision to generate self-belief, self-worth, esteem and confidence in young people who can then display ambition and aspiration in achieving high educational outcomes.

Arden Multi Academy Trust started life when Arden, an outstandingly successful and innovative school who was asked to support Park Hall Academy in the north of Solihull in 2009. This was a 'light touch' relationship and, following the academy moving into special measures in November 2013, Arden took over the governance, leadership and management of Park Hall. This new relationship saw the creation of Arden Multi-Academy Trust (AMAT). Joint working in a spirit of enthusiastic partnership has seen Park Hall develop into an Academy which is now the first choice North Solihull oversubscribed secondary school. Park Hall moved out of 'Special Measures' in September 2015 and was classified in November 2017 as good by Ofsted. This was reconfirmed during the inspection in May 2023, where Park Hall maintained their good status. In January 2018 Lode Heath School, a popular secondary school in Solihull, also became part of the Trust, with Henley-in-Arden School joining in 2019.

All schools within the Trust benefit from the Arden Teaching Alliance which currently consists of five Primary and five Secondary partner schools. This ensures that we help recruit, retain and develop our workforce across both teaching and support staff. The Trust also works closely with the Solihull Academy APU Free School which adds a further dimension to our provision.

As a Trust we truly value the success of every student and we place the sharing of excellent education practice at the core of this value. We are committed to improving the quality of education and life in Solihull and its immediate surroundings. The Trust operates from its hub in Knowle, South Solihull.

As a Trust we are committed to maintaining our core principles and focus as we grow; working with schools where we believe we can help and who, in turn, can enrich and provide real benefit for the existing Arden Multi Academy Trust family.

Our academies have common values and core operational systems, which are applied locally, adapted to individual context and needs. By this simple expedient each academy retains its own local governing body, identity and individuality. The young adults who leave our care are prepared for the next stage of their education and are ready and confident to move forward in life.

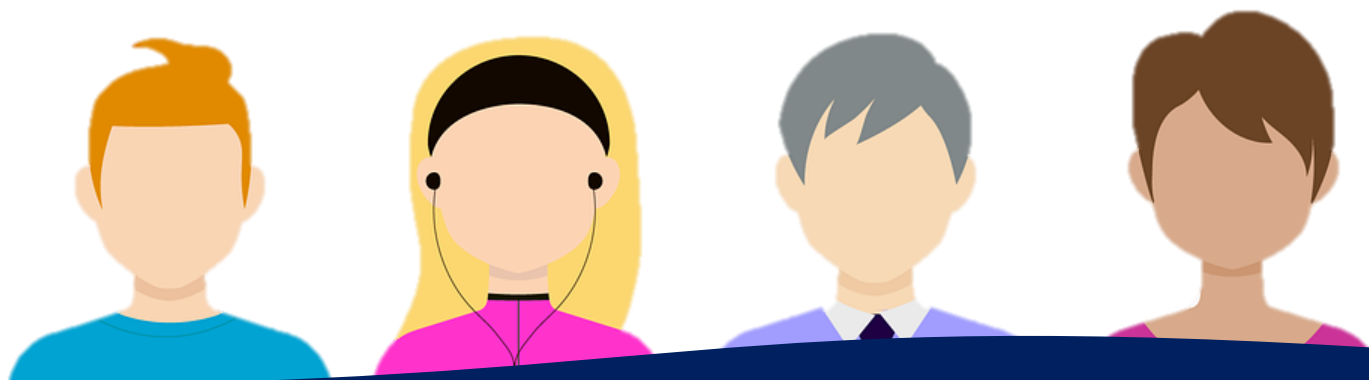

Looking After Our Staff

We feel it is vital that every member of staff feels valued and supported throughout the school year, from their first day in September right through to the last day of the summer term. We want our staff to feel enabled and motivated to provide high-quality teaching every day for our children. We want our staff to feel assured that they will be supported in times of difficulty, especially from school leaders and governors.

We have 6 core principles, that drive our assessment of decisions relating to the wellbeing of our staff:

- a culture of positivity that all stakeholders contribute to equally
- an environment to energise all members of staff
- leaders who aim to be highly effective, proactive and non-judgemental
- excellent working relationships
- career satisfaction
- healthy lifestyle

What Do We Already Do For Our Staff?

- Our staff have more than 10% PPA time (currently 12% PPA) which is greater than other local schools.
- Our staff do not have to do duties before and after school.
- Our staff have protected planning, preparation and assessment time (PPA), as they are not expected to cover for absent colleagues, we have employed cover supervisors to support us with this.
- Our staff are not expected to respond to emails on Saturdays and Sundays.
- As a school team, we try to give as much notice as possible to any changes to the timetable and the school diary.
- As a senior team and governors, we consider the number of late nights at school for parent meetings, school plays and governor meetings and when they fall. We react on the feedback from staff if they feel we have not achieved the right balance.
- Our staff speak positively to each other. If there is to be any criticism, it is valid, polite, and non-judgemental.
- Our staff have free tea, coffee, milk and sugar in the staff room.
- Our staff typically arrange Christmas and Summer celebrations.
- As a senior team, we have strived to make reporting made simpler and regularly review arrangements.
- After putting pupil data into SIMS/EduLink, it is placed into SISRA for easy analysis.
- As a senior team and governors, we have heavily invested in a non-teaching pastoral team to ensure that teachers are fully focused on improving pupil's rates of progress.
- Our staff have free use of the fitness suite.
- Our staff have access to yearly flu jabs, to support their health during the winter months.
- As a team, we support our colleagues in those initial tricky meetings with parents or challenging children.
- Our senior team pride themselves on being "visible" throughout the day. They support their team.
- Our staff have organised a range of staff sports, which many participate in.
- As a senior team, we have developed a centralised detention system, which supports our staff to implement the highest standards in behaviour. We have reduced the administration around this too, by collecting the detention slips and processing them centrally.
- As a senior team and governors, we have developed the use of a behaviour for learning room and "buddy rooms" to support all staff with expecting the best behaviour for our pupils.
- As a senior team and governors, we have disaggregated inset days, which maximises our time for school priorities throughout the year.
- As a senior team and governors, we hold weekly subject solutions, that supports our middle leaders in maximising pupil outcomes.
- As a senior team and governors, we have introduced late to lesson bells, to support our staff in implementing our behaviour policy

Our New Staff Training Programme

At Park Hall in particular, we pride ourselves on providing a comprehensive training programme for all new staff, which is in addition to the weekly staff CPD sessions.

During the first term, we typically provide the following additional training:

- Understanding Park Hall's standard operating procedures
- How to make an effective start to your lesson
- Understanding how to use the pastoral team to support you in the classroom
- Enhanced understanding of Safeguarding
- Enhanced understanding of the Prevent Strategy
- Developing your behaviour strategies in the classroom
- Understanding how to support pupils with special educational needs
- How to plan lesson plan for behaviour
- How you can mark effectively
- Understanding our rewards system
- Developing your understanding of our Sixth Form
- What makes an effective lesson?
- What makes effective assessment?
- How to input your data into the school mark sheets
- Understanding how pupils can response to feedback effectively
- Preparing for your first Parents Evening
- Understanding our community (including a mini bus tour)
- Understanding how to develop numeracy in your subject
- Understanding how to develop the more able in your subject
- New Staff Teachmeet

If you are new to teaching at Post 16, we have developed a package of additional support and training across our multi academy trust, to ensure you have the support you need to feel confident in your delivery and assessment of the pupils.

Our Curriculum Principles

Our aim is to encourage students to achieve the highest standards of which they are capable. We make every effort to ensure that work is stimulating, enjoyable and matched to their individual needs, so that all students fully engage in the learning process.

We have designed our curriculum to embrace the following five curriculum principles to ensure that pupils:

Become Subject Experts

Through the development of knowledge and skills, allowing them to develop subject mastery, through a spiral learning curriculum, leading to strong grades.

Maintain and build a “Love for Learning”

Through the delivery of the very best planned and delivered lessons, which are designed to help pupils of all abilities, make the journey primary school into early adulthood.

Have an enriched “Park Hall” experience

Through the delivery of subject linked enrichment, which build resilience and respect, developing pupil’s understanding of British Values.

Become a broad and balanced citizen

Through the delivery of a broad and balanced curriculum, equipping pupils to become a broad and balanced citizen, who contributes to society in a positive way.

Be prepared for their future

Through developing employability and life skills, that allow students to maximise their potential, and prepare them for the next stage of their education, career and for their future life.

Our Curriculum

The curriculum at Park Hall Academy aims to provide all students with a rich and broad curriculum that engages them and prepares them for their life and employment. It has been planned carefully with due regard to the context of the Academy as well as national legal requirements and financial probity.

At Park Hall Academy, we pride ourselves on the breadth and choice in our curriculum. We believe that, as our students move through the school, they need to study courses that stimulate their interest, support their future aspirations and give them strong foundations for their future education and career choices. This commitment to a wide range of courses, coupled with high quality teaching and learning within each course, supports student achievement and thus the best possible results.

We are delighted that this commitment to matching flexible curriculum courses to student need has been recognised by Ofsted. We also strive to ensure that each child can maximise their Progress 8 score by undertaking a broad and balanced curriculum.

Our Curriculum Outcomes

Our pupils achieved very well in 2025, achieving outcomes that are the highest in the local area. We are committed to doing the very best for our pupils, which resulted in us having one of the lowest rates of exclusions in Solihull Local Authority 2024-2025.

Here is a summary of our provisional 2025 curriculum outcomes from the Department for Education.

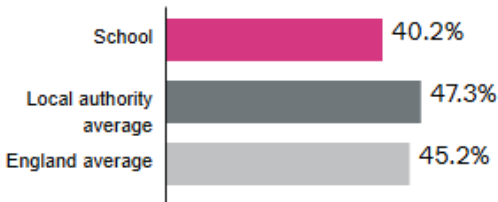

Attainment 8 ?

Schools get a score based on how well pupils have performed in up to 8 qualifications.

Grade 5 or above in English & maths GCSEs ?

This tells you the percentage of pupils who achieved grade 5 or above in English and maths GCSEs.

Staying in education, or entering apprenticeships or employment ?

This shows the number of pupils who either stayed in education, or went into apprenticeships or employment after finishing key stage 4 (after year 11, usually aged 16).
