Dear Applicant,

Thank you for your interest in the Teaching Assistant role at Challney High School for Girls. This is an exciting opportunity for the right candidate.

Challney High School for Girls is a special place to work. Our vision is to 'develop influential women of the future' so that they have the capacity to pursue, and have a lasting impact within, any avenue they choose. Our students are already remarkable young women; they are ambitious, respectful, and have a strong sense of generosity and kindness towards others.

The school achieved World Class Status in June 2023 and was judged as Ofsted 'Outstanding' in March 2025. These fantastic achievements are a testament to the hard work of our committed staff, students, and their families, alongside the unwavering support of our Local Governing Body and the Chiltern Learning Trust. We are incredibly proud of our school community.

Our school thrives on a culture of excellence. Fostering a love of learning, celebrating individual and collective achievements, and developing consideration for others are central to our ethos. This post will appeal to someone who holds exceptionally high standards and is committed to ensuring that our school continues to push forward for all students. Finding the right person is crucial for us—but it is equally important that Challney High School for Girls is the right school for you. We warmly invite you to visit us and experience our unique environment for yourself.
