About Somersham Primary School

Welcome to Somersham Primary School! We are thrilled to welcome you to our team and look forward to the positive impact you'll make on our children.

Somersham Primary School serves the villages of Somersham and Pidley in Cambridgeshire. We are a proud member of Meridian Trust (formerly Cambridge Primary Education Trust), a family of like-minded schools who share training, CPD and staff expertise to develop the best possible outcomes for children. We aim for Somersham to be a school that the village can be proud of, and where children come to learn, grow and develop, regardless of their age, gender, ethnicity, socio-economic background or attainment level.

In September 2023 we were thrilled to receive an Ofsted rating of Outstanding, which reflects the hard work of staff throughout the school. It was noted that "Staff work together to continually improve the quality of their teaching. Teachers have excellent knowledge of the subjects they teach. They plan activities, provide clear explanations and question pupils skilfully. This helps pupils gain a secure understanding of the subjects they study."

Our school motto is 'Inspiring children to achieve more than they think is possible.' We aim to give children opportunities and learning experiences to inspire them to achieve whatever they put their mind to.

Our values are derived from Meridian Trust's ethos and values, and they underpin all that we do:

- Children learn best when they are happy, secure, respected and valued as individuals

- Learning should be positive, enjoyable and rooted in life experiences
- Through a shared language and approach, we aim to nurture a child's emotional and social development
- The learning environment needs to be inspiring and interactive
- We want our children to become increasingly independent learners, reflect on their learning and identify their next steps
- We encourage children to develop respect for themselves, for others and for their environment
- Children should become aware of their community, both local and global
- We encourage children to have high expectations of themselves and high aspirations for the future
- Children should be encouraged to develop creativity through every aspect of the curriculum
- Everyone working in or visiting our schools should feel special and valued for the contributions that they are able to make
- We have a commitment to provide an environment where the safety and wellbeing of children is paramount

We want to provide our children with the opportunities to become talented writers, mathematicians, sportspeople, artists, musicians, scientists and citizens of our local, national and global communities, and we are delighted to welcome you to our school. Your passion for education will be a wonderful addition to our team.

A Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long term projects matured and our relationship with Sharnbrook Academy Federation emerged.

Our Trust currently consists of 36 schools, 19 primary schools, 13 secondary schools, 3 special schools and 1 all-through. The secondary schools include a University Technology College, an Upper School, four 11-16 schools and six 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a strong commitment to growing and supporting staff throughout their training

and career development. We have a proven track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.
