FELSTED SCHOOL ETHOS

‘GARDE TA FOY’

Felsted is a school that develops the character of every student, to help to prepare them for life beyond school.

This is done through a broad and holistic education, with a focus on Music, Drama, Sport, The Arts, Leadership and Service. All pupils should have an experience that includes a better understanding of their place in the world, and their responsibility to the environment in which they live. All of this co-exists with a rigorous academic education, where hard work is seen as a core virtue.

Our core values are our strong sense of community, our respect for one another and our willingness to work hard, summarised in the qualities of our Philosophy of Learning (readiness, resilience, reflection, resourcefulness and responsibility). We hold true to the Round Square motto that there is more in each person, and that every student can improve continually.

The school remains committed to its Christian (Church of England) foundation, and encourages the development of personal faith and beliefs among all.

The community of Felsted is genuinely supportive and caring. All are encouraged to show compassion and care, to engage, and to provide and take opportunities for the greater good. The ethos of community extends beyond current students and staff, to include Old Felstedians, parents, Governors and all who have an attachment to Felsted.

At Felsted, we value and respect difference, and seek to nurture the best qualities in each and every individual.

SAFEGUARDING STATEMENT
