

# Bedgrove Junior School

## Class Teacher job description - Inspiring Learning, Shaping Futures

### Purpose of the role

As a Class Teacher at Bedgrove Junior School, you will have the opportunity to shape young lives by creating a vibrant, inclusive, and high achieving learning environment where every child is known, valued, and inspired to succeed. You will teach a mixed ability class within a strong and supportive four class year group team, planning and delivering engaging, purposeful lessons across the primary curriculum. You will empower pupils to develop confidence, curiosity, and a lifelong love of learning.

At Bedgrove, teachers are trusted. You will be given the autonomy to innovate, the support to grow, and the opportunity to collaborate closely with the Senior Leadership Team. Together, you will play a meaningful role in bringing the school's vision to life and shaping its continued success. This is a place where professional voice matters and where awesome teachers thrive.

If you wish to, the Great Learners Trust can also offer you the chance to collaborate with other passionate colleagues across our team of schools to share expertise, develop practice, and drive excellence for all pupils. This allows exceptional opportunities for leadership development, collaboration, and career progression.

You will also have the chance to be part of something truly innovative. Our Trust is developing a pioneering teaching and learning platform that brings classroom practice to life through professionally produced short films. This will enable teachers to see exceptional teaching in action, share their craft, and inspire educators within and beyond the Trust. We are seeking teachers who are proud of their practice, eager to grow, and excited to contribute to a professional community that celebrates creativity, excellence, and the real impact of great teaching.

Bedgrove Junior School is a place where teachers are empowered, supported, and inspired to make a difference. If you are passionate about education and ready to be part of a forward thinking, values driven school and Trust, we would love you to join us.

## Key Responsibilities

### Inspire and Shape the Future

- Champion the school's vision, values and high expectations.
