

Teacher of Computer Science Heathside Weybridge

Weybridge, Surrey, KT13 8UZ

September 2026

**Full Time, Permanent
MPR/UPR (fringe)**

Applications welcomed from ECTs and experienced teachers

We are seeking an enthusiastic, creative, and dedicated **Teacher of Computer Science**, with a preference for applicants who can offer a second subject. This is an exciting opportunity to inspire students in computational thinking, coding, digital literacy, and problem-solving, helping them develop the skills they need to thrive in an increasingly digital world.

At Heathside Weybridge, we are more than just a school – we are a vibrant and inclusive community where every member of staff is valued, supported, and empowered to thrive.

When you join us, you become part of an environment that is:

- **Welcoming and Challenging:** We provide a secure and positive atmosphere that inspires both staff and students to achieve their full potential through encouragement and meaningful challenge. We want you to enjoy your job!
- **Respectful and Inclusive:** We foster a culture of respect, understanding, and acceptance, ensuring everyone feels a true sense of belonging, regardless of their background or identity.
- **Supportive of Your Growth:** Your personal and professional development matters to us. We are committed to offering ongoing opportunities to learn and develop.
- **Committed to Wellbeing:** We prioritise the wellbeing of our staff, providing the care, resources, and flexibility you need to flourish in both your career and personal life. We are proud to have been successfully reaccredited with the Wellbeing Award for Schools in 2024.

If you are ready to be part of a team that values integrity, collaboration, and continuous growth, we would love to hear from you.

We welcome candidates who are:

- Be confident teaching Computer Science across all key stages
- Deliver high-quality teaching that ensures students make excellent progress and are suitably challenged
- Plan effective lessons aligned to the curriculum, allowing students to reach their academic and creative potential
- Actively promote student achievement through regular assessment and feedback
- Adapt teaching and assessment to ensure all students can access learning
- Contribute to our weekly extracurricular programme

If you're passionate about helping students succeed in the digital world, we'd love to hear from you!

Closing date: Monday 23rd February 2026, at midday

Interviews: Week commencing Monday 23rd February 2026

Applications will be considered as they are received.

We are committed to safeguarding and promoting child welfare. Applicants must undergo child protection screening, including checks with past employers and Enhanced DBS disclosure with Children's Barred List check. Committed to equal opportunities, we welcome applications from all sections of the community.
