

We are His body, living and learning as one.

23rd March 2026

Dear Candidate

Thank you for your interest in our headship post at Saint Paul's. Our school has gone through a sustained period of continuous improvement, as evidenced by the current data set, self-evaluation status and most recent Ofsted report.

Any selection process is a two-way process, and you can determine whether working for our trust is the right decision to make. Within our Trust, our scheme of delegation states that day to day decisions are made by the headteacher in conjunction with the governors. I believe this will make working for our Trust more appealing than working for a MAT which doesn't allow the same level of autonomy.

The late Pope Francis called on teachers to reach out and love with greater intensity the children on the peripheries of their schools, who are labelled as difficult, who have disabilities, come from other countries or face other problems and disadvantages. Corpus Christi Trust supports in making this vision a reality by working as a collective. Together we are stronger.

Each school benefits practically from the high-quality services provided and procured centrally. We would be delighted to receive applications from any leader who wants to belong to a dynamic, faith-driven organisation.

We would welcome an opportunity to meet with you in person and provide you with a tour of our school.

Yours faithfully

Stephen Marciniak

Stephen Marciniak

Chair of Governors
