A MESSAGE FROM OUR DIRECTOR OF ESTATES AND SUSTAINABILITY

Thank you for your interest in joining our Estates team.

This is an exciting time for Broadleaf Partnership Trust as we seek to move our Estates strategy forwards, maximising the effectiveness of our facilities across our diverse range of schools. From our three individuals yet closely located schools in Sutton Coldfield, to sites in Erdington and Oldbury, the latter of which is in the early stages of a full, once in a lifetime rebuild that we hope will provide high-quality facilities not just for our students, staff and stakeholders, but also the wider community.

We are always keen to help ambitious people to advance their careers and see this as an ideal opportunity for a self-motivated individual to progress and develop themselves in the estates and site management sectors, with the guidance and support on offer from our experienced Trust team to develop your own career pathway.

At Broadleaf, we are committed to delivering our services and maintaining our estates in the most sustainable way possible, engaging with teaching staff and students to support their aims through Eco clubs and committees, alongside our Trust values which include commitments to 'Let's Go Zero' and more.

We're eager to find someone keen to develop their skills and collaborate with our team to enhance our school sites.

Oliver Marsh
Director of Estates and Sustainability
