

# Workshop Technician

# Workshop Technician

Salary: NJC Grade 3 £25,185 - £25,989 – Term-Time Only

Actual Working Weeks Salary – £9,368 – £9,667

16 hours per week, paid for 44.85 weeks, working pattern is negotiable

Required: As soon as possible

An exciting opportunity has arisen to join one of the country's leading grammar schools and offers staff the opportunity to work with able and well-motivated students.

We are seeking a Workshop Technician to work under the direction of the Teacher in charge of the workshop where mostly work with timbers, polymers, CAD and CAM take place. The role complements that of the Food and Textile Technician and a good working partnership can be established.

In return, we offer professional support and career development opportunities. We recognise and value continued professional development and as such, training opportunities will be made available to you throughout your career with us.

Please visit the school website for further details and the employment application pack. Potential candidates who wish to informally explore more details about the role or school should contact the Headteacher at [recruitment@wghs.org.uk](mailto:recruitment@wghs.org.uk).

**Closing date for applications: 9.00am on Thursday 2<sup>nd</sup> July 2026**

**Interview date: As soon as possible following the closing date**

# Welcome to WGHS

Wolverhampton Girls' High School has a long and established history of providing outstanding education for girls for over 100 years. We pride ourselves on our traditions, but we do not stand still, we are striving for continuous improvement. There is no charge or cost related to the admission of a student to the school and we welcome students from within the City of Wolverhampton and beyond.

We offer a broad and rich curriculum where all students are encouraged and supported to achieve their personal best in all aspects of school life. Our combination of high expectations and support tailored to meeting individual needs leads to confident and well-rounded young women who are well prepared to take on the next stage of their lives. Students are highly motivated to learn and personalised learning lies at the heart of our provision. Students also benefit from exceptional learning facilities.

The school is respected as one of the best state schools in the country, regularly achieving examination results which place it at or near the top of national league tables. This success has also been recognised by Ofsted, with the school achieving five successive "Outstanding" inspections. In the most recent inspection in November 2023, we were graded Outstanding in every category.

Whilst academic achievements are an important part of life at WGHS, students enjoy the wide range of other opportunities. These include participation in the thriving house system, and opportunities in the fields of sport, music and drama. There is a plethora of activities for the students to engage in from leading whole school events; to organising charity fundraising activities; participating in debating competitions and enjoying expeditions abroad.

Our team of dedicated staff ensures that students are well supported to achieve academic success, within a caring community. We have placed pastoral care at the centre of our school community through our "Hub". Pastoral care provided is exceptional, focusing upon student wellbeing and equipping students with the skills and knowledge that will support them to navigate life beyond the school.

The school's motto: Ludus Supra Praemium (which translates as "the game before the prize"), emphasises the value of taking part as a member of the school community. Our girls are encouraged to develop skills for lifelong success in terms of understanding themselves as learners and developing as responsible citizens, demonstrating care and respect for all members of the community. As a result, they leave WGHS with fond memories, and equipped as confident and independent minded young women ready to take on the challenges ahead and enjoy success in their chosen fields.

WGHS is a special place to be, with its supportive atmosphere encouraging all students to achieve their best in all aspects of school life. Thank you for your interest in this exciting opportunity, we encourage you to apply and come and join our community.

**Mrs Trudi Young**  
Headteacher

# Ludus Supra Praemium

*“the game before the prize”*

We value highly the experiences students gain both in and out of the classroom. The House System offers wide variety of opportunities for students deliver softer skills including events such as the annual House Arts, House Winter Games and Sports Day events.

Our staff offer a range of extra-curricular opportunities in school and a variety of opportunities for students to travel abroad. This has included expeditions to Iceland, Russia, Nepal and China!

# Our School

WGHS has a rich history of providing an excellent education. We pride ourselves on our traditions, but we do not stand still, we are striving for continuous improvement. It is an exciting place to be!

We are a warm and friendly school with a community atmosphere. Pastoral care and support are our top priority, ensuring that students and staff feel happy, safe and secure.

We offer an exceptional enrichment programme with a plethora of activities for students to engage in, from leading whole school events, organising charity fundraisers, sports, music, drama, debating competitions and expeditions abroad. Our house system also provides many opportunities for girls to engage in fun activities.

We offer a broad and rich curriculum where all students are encouraged and supported to achieve their personal best in all aspects of school life. Our combination of high expectations and tailored support to meet individual needs, leads to academic excellence.

Our school is respected as one of the best state schools in the country, regularly achieving examination results which place it near the top of the national league tables. Our success has also been recognised by Ofsted with the school achieving five successive 'Outstanding' inspections.

Our school motto: *Ludus Supra Praemium*, emphasises the value of taking part as a member of the school community. We encourage developing skills for life long success, developing happy, confident and resilient young women.

# Our Students

All, of our students, are high achieving and almost all go on to study university courses with girls accessing some of the most competitive courses at the most sought-after institutions.

Examination results are exceptional, year after year.

Fewer students than the national average are eligible for the Pupil Premium (Years 7 to 11) (142) and 7 Service Children. 20 students are eligible for the 16-19 Bursary and we have 0 Looked After Children.

We have 32 students with SEND needs.

The proportion of students from ethnic minority groups is 79% with Indian students making up 36% and 34% who speak English as an Additional Language.

There is a very strong community ethos across the school with the House system at its heart. Students compete enthusiastically in a range of different competitions. These events, together with academic and pastoral mentoring across the year groups, ensure that students actively support each other from Years 7-13. Students seize leadership opportunities, running many clubs at lunchtime and leading a variety of fundraising activities.

All of our girls want to and are encouraged to achieve their personal best. They support each other in and beyond the classroom to strive for excellence and subsequently achieve great success in all areas.

# Our Staff

We have 135 staff; 85 teachers of whom 26 are part-time; and 50 support staff. There are 15 Curriculum Leaders, 2 Directors and 4 House Leaders. The Extended Leadership Team is comprised of the Headteacher, 2 Deputy Headteachers, 3 Assistant Headteachers, 2 Associate Senior Leaders and 3 Senior Support Staff.

There is a strong sense of support and community amongst the staff.

Staff are actively encouraged to inform the planning of future whole school priorities. In addition, staff make valuable and active contributions to several school-working groups.

All staff receive annual Performance Development meetings with a mid-year review, alongside ongoing professional development. Career development is an expectation for all, and we provide support within school to help colleagues to develop. There are opportunities to lead whole school training sessions and to share expertise across and within departments.

We are very fortunate to be supported by a team of dedicated and high-quality support staff who support the school in a variety of ways. These include administration, finance, learning support, data and examinations and site.

Students and parents have high expectations of the staff as a result of their thirst for learning and ambition. This makes our focused learning environment a very rewarding one of which to become apart.

# Our Facilities

The school is steeped in traditions from over its 100-year history, but we are forward looking and aiming for continuous improvement. In the last ten years we have benefitted from over £14 million investment in our school. Work is now completed on a £3.4 million funded project. This included provision of four new science laboratories and refurbishment of two others, as well as an Activity Studio.

# The Technology Department

We aim to provide a range of starting points for research and exploration in several disciplines, including Food and Nutrition, Product Design and Fibres and Fabrics. We have also expanded our capabilities through modernising our curriculum and updating facilities and access to digital technologies. We are well equipped to work with a number of materials and have a specialist Food preparation room as well as a textiles area and a workshop. All staff – teaching and technicians – are passionate about working with materials and equipment and how to aid young people's safe working and knowledge of all aspects of D&T. We encourage curiosity and the appreciation of design evolution through our handling collections.

## Key Stage 3:

Design and Technology (D&T) is the inspiring, rigorous and practical subject which prepares all young people to live and work in the designed and made world. Practical 'design and make' challenges are set, drawing on traditional handcraft methods as well as developing CAD and CAM skills. The range of design briefs vary to encourage dexterity and skill in practical work using a number of tools and equipment. Students are taught core knowledge and respond to questions by applying both their theoretical and practical understanding. Food modules develop confidence and safety in the kitchen alongside knowledge of dietary requirements and the science behind processes and reactions.

## Key Stage 4:

Students may currently study Design & Technology or Food Preparation and Nutrition. There is emphasis on increasingly refined practical designing and making alongside technical aspects of the disciplines and sustainability. Both courses work towards invention and design innovation.

# Job Description – Workshop Technician

Reporting to: Senior Science Technician

Pay Scale: NJC Grade 3

## MAIN DUTIES

You will be required to work under the overall supervision of the Curriculum Leader and contribute to the work in the Technology Department.

## RESPONSIBILITIES

- Supporting the work of the teaching staff.
- Maintaining the practical room in an orderly manner.
- Maintaining tools and equipment used in the department.
- Undertaking minor repairs and servicing of equipment.
- Maintaining the department inventory.
- Monitoring stock, ensuring adequate levels are maintained.
- Preparing materials and equipment for lessons.
- Setting up machinery ready for pupil use.
- Carrying out safety checks on equipment as required by the Teacher in charge of Resistant Materials.
- Keeping abreast of the Health and Safety Regulations in general and those specifically pertaining to the use of particularly equipment and tools.
- Checking the day-to-day safety of workshop facilities and reporting faults to the Safety Officer or Curriculum Leader as appropriate.
- Be familiar with the school's Health and Safety Policy and carry out procedures in accordance with this.
- Ensuring the correct and safe use of substances, tools and equipment.
- Assisting with the construction and repair of items outside the department at the discretion of the Headteacher/Curriculum Leader.

This list is not exhaustive and you will be expected to undertake appropriate tasks and any other duties appropriate to the grade of the post, subject to any reasonable adjustments under the Equality act.

# Job Description – Workshop Technician

Reporting to: Senior Science Technician

Pay Scale: NJC Grade 3

## OTHER RESPONSIBILITIES

- The above position requires the ability to use modern technology, in particular computer aided design and manufacture software and be familiar with CAD/CAM systems. The school uses the Arbor system.
- The many and varied tasks involved in the administration of the School require a team effort with a flexible approach and a willingness to co-operate with other members of staff.
- The Associate Staff Team members have a key function of providing the interface between the School, the public and parents.
- A high priority is to be given to the standard of presentation of all written communications, booklets and information sheets.
- Similarly, there should be a high standard of courtesy and good manners in all dealings with visitors and enquiries to school.
- Postholders must comply with the policies and procedures of Wolverhampton Girls' High School.
