School Examination Results:

- Level 2 GCSE and BTEC**

We are very proud of the examination results achieved by our students over the past three years. Staff have worked hard with new data to track and monitor students and develop intervention strategies in order to help each individual to achieve their potential.

- Level 3 A Level and BTEC**

In recent years we have worked hard to improve our examination results at post 16. However, there is no doubt that staff have worked hard to develop the quality of teaching at post 16 and as a result the grades achieved by our students have improved significantly.
