About BDAT

Westminster CofE Primary Academy is part of Bradford Diocesan Academies Trust. The successful candidate will be employed by BDAT although their main place of work will be at Westminster. BDAT strives to be diverse and inclusive employer a place where we can ALL be ourselves. We encourage and welcome applications from everyone.

General Information and Background

Bradford Diocesan Academies Trust (BDAT) is a Multi- Academy Trust (MAT) supporting a number of primary and secondary academies in Bradford. BDAT is the only Church of England MAT operating in Bradford and is part of the Diocese of Leeds. BDAT is a charity, governed by a board of trustees who are responsible for, and oversee, the management of the company. The Memorandum and Articles are available on the Trust's website at www.bdat-academies.org.

Our Mission Statement

"The Trust's mission is to provide an education of the highest quality within the context of Christian belief and practice." We believe every child only has one chance at a good education.

In practice, as a Trust, we seek to work with and alongside the academies in our Trust to provide a good quality of education to all children in our academies. The Trust does this through operating a light touch support role for academies at times of challenge and by establishing collaborative structures and processes to enable them to work together and share good practices. As our family of academies continues to grow, we are constantly looking at how we can continue to improve to establish effective and efficient ways of partnership working. We believe this means we are big enough to achieve business economies of scale whilst being small enough to retain our family of schools approach where we are truly able to know, understand and support each other.

Our Christian ethos

BDAT is a proudly Christian organisation committed to providing high-quality education for all within an ethos which encourages academic, vocational, mental, physical, and spiritual opportunities and development for each member of its academies. Whilst robust Christian principles underpin the work of the academy, everyone is encouraged to explore their own spirituality and to recognise and understand that of others. It is for this reason that we choose to support and sponsor Non-Church of England academies, as well as those within the faith.

ICARE

At BDAT we have considered the importance, effectiveness and sustainability of how we tackle issues like racism and other types of discrimination across all areas of our MAT and within each of our schools. We have led a Trust wide consultation to ensure we understand what we mean by inclusion and to look at what we can do differently centred around the Trust values: "ICARE". The Faculty provides the strategic direction to ensure that our professional and career development supports school improvement and drives our vision of BDAT as an employer of choice.
