Dear Applicant,

Thank you for your interest in the position of Teacher of Art at Ormskirk School.

The Endeavour Learning Trust board and I are delighted to provide the enclosed information about the role and our School. I hope you find it helpful and on behalf of the whole school community, I would like to take this opportunity to extend a very warm welcome.

Endeavour Learning Trust is a growing Trust in the North West, currently spanning South Ribble, West Lancashire and North Sefton. In our family of schools at this point in our growth, we have four secondary schools and five primary schools formally within the Trust.

Our mission and values provide a clear framework for us to work to. We are absolutely committed to serving our communities to ensure that every child achieves their potential by providing the highest quality educational experience in a truly inclusive way.

As a Trust, we don't believe in a one-size-fits-all approach for our schools or our students. We respect and celebrate individuality, working with a clear determination to support our children, colleagues and communities both collectively, and individually, to flourish and thrive through a rich and transformational provision.

We believe in the value of collaboration, and everybody working with the Trust shares a collective responsibility for the success of all of our children. We also recognise that we will never be successful in delivering our vision for our young people unless our colleagues are supported, nurtured and developed to achieve their full potential with us. That's why we are equally committed to ensuring every colleague benefits from the best possible employment experience where high-quality CPD and a sincere approach to supporting wellbeing enable our colleagues to achieve their own aspirations for their career.

We hope the enclosed information will give you good insight into our School & Trust.

We look forward to viewing your application.

Yours faithfully,

### **Transformation**

We believe in the promise of each individual across the Trust and will ensure we inspire, support and challenge in proportionate measure, so that we all thrive and are able to achieve our own individual successes. We continually develop our approach to respond to changes in the communities we operate within to support every child, colleague and partners to realise their potential.
