ABOUT OUR SCHOOL

Manor Community Primary School is a vibrant, ambitious and nurturing school where children are encouraged to Learn and Believe... Aspire and Achieve!

We believe that every child should reach their full potential, and our carefully designed curriculum develops the skills, knowledge and understanding pupils need to succeed in modern life.

Through engaging, relevant and inspiring learning experiences, we help children become adaptable thinkers who are able to express ideas confidently, think critically and take responsibility for their own learning.

Our curriculum is built around developing high aspirations, resilience, independence, excellent communication and creativity, as well as pride in producing high-quality work and the ability to collaborate effectively with others.

At Manor, character development sits at the heart of everything we do. We nurture pupils to become confident, motivated learners who believe in themselves and understand the value of hard work and determination.

All of our staff share in our aims to develop:
