WELCOME

Welcome to Montpelier High School – a vibrant, diverse, and high-achieving community where every student is empowered to thrive.

As Headteacher, I'm proud to lead a team of dedicated professionals committed to creating an inspiring, inclusive environment where students celebrate their identity, pursue their ambitions, and develop the confidence to make a difference.

We are a non-selective girls' school that reflects the rich diversity of our city. Our students come from all backgrounds and bring a wide range of perspectives to the classroom, enriching the learning experience for all.

We maintain the highest academic standards while offering tailored support to help every student succeed – socially, emotionally, and intellectually. Our success is grounded in strong partnerships with parents and carers, and a shared commitment to excellence.

Rated in the top national bracket by the Department for Education for both attainment and progress, we believe in potential over past performance. Every student can succeed with the right challenge and support.

Montpelier is not just about exam results. Our built-in Enrichment Programme – from Medics society to sports, arts, and wellbeing – helps develop confident, ethical individuals ready to shape the future. After Year 11, students can continue their journey with us at our co-located sixth form, V6 – a dynamic space combining academic excellence with independence and preparation for adult life.

We warmly invite you to explore our website or attend an open event to discover more about what makes Montpelier High School so special.
