About our School

St Bernadette's is a vibrant and successful secondary school located in Whitchurch, South Bristol. Our recent Ofsted inspection in January 2025 highlighted the strong leadership, high-quality teaching, and excellent pastoral care that characterize our school. Inspectors particularly praised the harmonious atmosphere, the positive relationships between staff and students, and the ambitious curriculum designed to meet the needs of all learners.

While our Catholic identity remains an integral part of our community, we pride ourselves on being a welcoming and inclusive school. Our mission is to support every student to achieve their potential, develop as confident and responsible individuals, and prepare for the opportunities and challenges of adult life.

Key Features of St Bernadette's:

- The school's Good rating was maintained in all areas at the most recent Inspection (January 2025).
- Graded as an Outstanding Catholic School in 2022 S.48 inspection
- A commitment to academic excellence and personal development.
- Strong systems of care, support, and guidance for all students.
- A vibrant and inclusive community with a focus on mutual respect and collaboration.

A community of faith

Our identity as a faith community is at the heart of all that we do. We are proud of our Catholic tradition and our partnerships with the Diocese of Clifton, our partner schools in the Aquinas Group and with St Brendan's Catholic College, which provides our Sixth Form. We celebrate each person's unique set of God-given talents and work hard to ensure pupils use them to the full. We were therefore delighted to be recognized as an outstanding Catholic school in our last Section 48 inspection.

Our faith is at the core of our daily life, our interactions with each other and our learning. As a school we come together as a faith community through assemblies, services and masses. We offer pupils opportunities for spiritual growth and development not only through Religious Education lessons but also through trips, retreats and school-based activities in our Chapel.

All curriculum areas within the school support and contribute to the faith life of the school. Each faculty has identified how it contributes to the mission of the school, as well as its contribution to Catholic Social Teaching.

Our pupils put their faith into action by helping others and each year raise thousands of pounds for a number of charities. Pupils are also involved in local community initiatives and we are always impressed by their generosity and energy in helping others.

A community of learning

St Bernadette's is an ambitious learning community. Our approach is underpinned by a research-informed approach to teaching. Our practice is guided by Rosenshine's principles, ensuring evidence-based strategies drive high-quality instruction. We are committed to fostering scholarship, encouraging pupils to embrace academic challenge, take responsibility for their learning, and strive for excellence.

Our broad and rigorous curriculum ensures all pupils achieve their full potential, balancing the depth of traditional subjects with the innovation of new technologies. Teaching is adapted through flexible groupings, allowing every pupil to access appropriately challenging content. Progress is closely tracked against ambitious targets, ensuring high expectations for all.

Scholarship is central to our ethos, now framed by six key attributes that shape our pupils as 'St Bernadette Scholars.' These attributes are explicitly developed through lessons, our reward system, and wider school life, embedding a culture of academic excellence.

Staff development is integral to our success. Our CPD model is structured around instructional coaching, WALKTHRUs, and collaborative expertise, ensuring continual growth through evidence-based practice. By investing in our teachers, we secure the highest standards of learning and aspiration, positioning St Bernadette's as the academic choice for the Catholic community.
