Welcome from the Executive Headteacher & CEO

Anna Robinson

As the Executive Headteacher (EHT) and Chief Executive Officer (CEO) of **MARK Education Trust**, I am proud to lead three schools in East Sussex: **Beacon Academy** in Crowborough, **Uplands Academy** in Wadhurst, and **Hailsham Academy**, an all-through 2–19 school in Hailsham. Together, we are driven by a clear mission:

To provide the best possible education for our students, preparing them for life so they can stand equally alongside their peers locally, nationally, and globally.

We were delighted to welcome **Hailsham Community College** into **MARK Education Trust** in **September 2025**. Now known as **Hailsham Academy**, the school encompasses both the primary and secondary phases and strengthens our commitment to inclusive, high-quality education.

Having begun my teaching career at Hailsham Community College in 1996, which ultimately led to my role as Head of School before my appointment to the same position at Beacon Academy in 2012, I am especially proud to see Hailsham join the trust. Since I began working with the school again in an advisory capacity in 2023, I have greatly enjoyed reconnecting with a school so close to my heart and building strong relationships with its leadership team and wider school community.

Our Journey

I was appointed Headteacher of Beacon Academy in 2015 and became Executive Headteacher of MARK Education Trust in September 2022.

During my tenure at **Beacon Academy**, we embarked on a transformational journey. In 2019, we celebrated record-breaking A-Level and GCSE results, with our Progress 8 measure making Beacon the **top-performing school in East Sussex for three consecutive years**. We also ranked **first across Sussex and within the top 1.8% of schools nationally**. Beacon's results continue to reflect academic excellence. Our sixth form students consistently achieve highly, with the vast majority of students securing their first-choice destinations – whether that be university, apprenticeship, or employment.

In 2024, following a rigorous Ofsted inspection, Beacon Academy was judged to be **Outstanding** in all categories.

In September 2022, we welcomed **Uplands Academy** (formerly Uplands Community College) into MARK Education Trust. Located in Wadhurst, East Sussex, Uplands is a good school with vast potential, driven by an inspiring student body and a dedicated team of staff. We are proud of the excellent relationships that have developed between staff and students, underpinned by high expectations and a relentless commitment to ensuring that the focus is on each child as an individual.

Our collective drive and ambition for continuous improvement was recognised and validated in January 2025, when Ofsted confirmed that Uplands is a **Good** school in all categories.

About MARK Education Trust

Together, we make a strong, unified team focused on delivering whole school improvement. Centralised business services support our schools to develop and sustain excellence in every classroom. Our trust's schools remain oversubscribed across year groups - a testament to our committed team's dedication to our mission.

Guided by our [MARK Education Trust values](#), we are growing responsibly and with care. Our growth strategy is implemented thoughtfully to ensure that each of our schools retains its unique identity while connected by our shared vision and continuously striving for excellence through collaboration.

As we look to the future, we are excited to grow our community responsibly and drive our shared vision forward. We warmly invite you to find out more about who we are and what we stand for by visiting our [MARK Education Trust website](#).

Anna Robinson
Executive Headteacher and CEO

Welcome to Hailsham Academy from the Headteacher **Natalie Chamberlain**

Hailsham Academy is a split site, all through school serving 1,500 students in the secondary phase and approximately 420 students in the primary phase. We are situated close to Eastbourne and the south coast, just minutes from a National Park and Areas of Outstanding Natural Beauty. Our staff travel to Hailsham from a variety of locations within the southeast, including Brighton, Uckfield, Seaford, Eastbourne, Bexhill and Tunbridge Wells.

In the early part of 2018, whilst under Hailsham Community College Academy Trust, we were approached by the Local Authority to provide a new Primary and Pre-school provision within the town. In September 2019 we opened a brand-new school approximately a mile from the Secondary site, thus extending the designation of the Trust to a 2-19 all-through school.

Since our last Ofsted inspection in March 2023, there have been some important changes that have taken place across the secondary phase of the school, including changes to our leadership structure, a revised pastoral structure to ensure we are providing effective support to our students, and a renewed focus on the quality of education and curriculum implementation.

We are proud and delighted to have joined MARK Education Trust in September 2025. Like our partner schools, we are proud to retain our unique identity while benefiting from the collective strength and collaboration of the trust.

Being part of MARK Education Trust brings many advantages for our school community. It enables us to share best practice, build on excellent teaching and learning, and provide even greater support for our students. The partnership allows us to strengthen our leadership capacity, create efficiencies, and further enhance the quality of education across our academy.

Vision, culture and expectations

Our vision is to provide the best possible education for all of our students and to be an exceptional and high-performing school, locally and nationally. We do this by relentlessly sustaining our culture that is highly aspirational and ambitious for excellence in all we do.

Our strategy for the future is rightly ambitious. We are uncompromising in our ambition, pursuing excellence at every level. We have a rigorous focus on consistent improvement and work meticulously to secure our culture of unapologetically high standards. Underpinning this is our shared belief in, and ambition for, the students of Hailsham Academy, and the experienced, loyal, highly skilled and highly effective team of staff who teach them.

Continued overleaf...

We ensure that teaching and learning inspires and challenges every student, enabling all to make excellent progress, regardless of their starting point. We offer a broad, knowledge rich curriculum within our disciplined standards agenda. Our environment is consistently calm, safe and orderly, enabling teachers to teach and students to learn.

We know that choosing a place to work in is one of the most important decisions you will make for yourself and your family, so we thank you for your interest in our Academy and hope the pack enables you to understand a little more about who we are and what we stand for as a school within MARK Education Trust.

We encourage you to visit us during this exciting new phase for our school.

Department Information

The Science Department is a well-resourced and collaborative team committed to delivering high-quality teaching and learning across all key stages. Staff work closely together to create engaging, practical and challenging lessons that inspire curiosity and a love of science. The department ensures lessons are inclusive, well-paced and ambitious for all learners. With a strong focus on professional development, the Science team plays a central role in the academic success of our students.

Curriculum	<p>At KS3 we have developed a practical approach to learning based on developing enquiring minds that question the world around them and have the skill set needed to do well at KS4. We follow AQA GCSE Science with the majority taking Combined Science and our more able tackling the Triple course. Our schemes have a spiral nature revisiting key concepts throughout the course.</p>
2025 Results KS4	<p>2025 saw a significant increase in our results with 40.9% of students achieving a 4+ in Combined Science. This was due to the continued hard work and consistency of the team in raising aspirations in Science, and although we know we have a way to go, we are excited with the progression so far.</p> <p>Our Triple students did amazingly with headlines of 37.9% 7+ in Biology, 24.1% 7+ in Physics and 17.2% 7+ in Chemistry. We hope to improve upon this again in 2026.</p>
Facilities & Resources	<p>We have 8 well-equipped labs, with plans for further improvement in the dedicated Science block planned. We are blessed with 3 very experienced technicians, one for each of the disciplines, and some great resources which are embedded into our schemes of work. Students complete weekly homework tasks on the Educake platform, and we encourage continuous revision of the key knowledge from the outset to enable them to recall the concepts needed.</p>
