Our mission starts inside every school and central department. It is reflected in our culture and is reflected by all the colleagues we work with. In the pursuit of our mission, we employ a diverse range of highly talented people to co-construct the very best places to learn, with innovative solutions to ensure that all children achieve. Discovery believe everyone should have limitless learning opportunities and places staff development and wellbeing at the centre of our strategic planning.

All colleagues are offered training opportunities, high quality professional development and ongoing feedback through carefully structured appraisal systems.

Our Apprenticeship Strategy improves year on year as new employment opportunities are created for people wanting a career in education as well as providing existing staff opportunities to start new learning journeys to gain higher work based qualifications that help them grow but have a positive impact on the organisation.

We are committed to helping our employees develop their skills and qualifications and have a fantastic track record of career progression.

Our vision is a symphony of innovation, collaboration, and purposeful action.

Fossebrook is the school of choice in our area, and we are proud to be a Microsoft Showcase school, empowering our learners with 21st Century skills. We are part of a 15-school academy trust, where we benefit from collaboration whilst maintaining our unique identity.

Why Fossebrook Primary School?

Fossebrook is a young school, full of energy and inspiration; we are looking forward to working with. Every classroom has been built to accommodate thirty pupils and we are now full in every year group which means we are able to provide an amazing education for 210 children.

It is a very exhilarating time for all of us, as we establish a new Fossebrook team in the local community and we welcome your support for our school. Our school motto has developed into 'Every Moment Matters!' Our motto resonates with every learner and their families as well as the staff working in our school. Our aim is to ensure every child at Fossebrook enjoys every second of their learning experience and makes it count. Every child deserves to reach their full potential.

Fossebrook Primary School is part of a 15-school academy trust and enjoys the benefits of being part of this progressive educational establishment. We work collaboratively with other schools in the trust, contributing to the excellent practice and resources, however, our school also appreciates the autonomy that the trust allows for all of the schools that work closely within it.

Our vision

Regardless of your role within Discovery, we are working for something bigger.

Everything we do is to ensure that children and the colleagues we work with realise their potential and experience limitless learning opportunities.

Discovery Trust aspires to achieve excellence in all areas of work. The children and families we work with have confidence in the teachers and leaders of the Trust who act with integrity and demonstrate respect for individual needs. Discovery aspires for all our schools to become sustainable and inclusive, driven by a passion for working in partnership with all stakeholders.

Our values

Our values matter.

They drive what we do and underpin every action we take. Our values are not just words. They support our purpose and help us function together as one and shape the way we behave.

We use these values to work as a highly productive partnership across diverse schools and service departments. We expect schools to develop a localised set of values to ensure their community is engaged and successful.

“Our pupils deserve the very best, every day, and that as a Trust is what we strive for.”

David Briggs, Director of Primary Education

“Respect is what binds us together as a community. Teaching understanding of how fundamental it is to be respectful of one and other all in our diverse communities will mean that we can all live in the society we would wish for.”

Jane Pinborough, HLTA Kibworth CofE Primary School

“Discovery Trust afford me the scope and flexibility to explore sustainable options and I have the full backing of the Senior Leadership Team. My ideas are heard and challenged but ultimately met with positivity.”
