

Dear Applicant,

Thank you for showing an interest in working at our school.

Oaktree Nursery and Primary School is situated in the heart of the community of Park South. We have almost 400 in children in school, which includes a Nursery for 2 to 4 year olds and from September 2025 a Complex Needs Unit called The Den. Our school was judged as 'Good' in our last Ofsted inspection in November 2018.

The school became part of The Blue Kite Academy Trust in November 2023 and is benefitting from the support, challenge and many varied opportunities that being part of a strong Primary only Trust brings.

We are very proud of our Oaktree values; Optimism, Ambition, Kind, Truthful, Resilient, Empathy and Equity, and use this to help children succeed in all areas of development. We aim for our children to develop enquiring minds and a genuine love of learning, in a learning environment where children feel happy and secure.

Team work is very important within our school. The teachers and support staff work together to promote a learning culture where everyone's contribution is valued.

If you would like to work with and inspire our children and be part of our busy, exciting and inclusive school, please apply by completing an application form.

If you have any questions please contact the school office on 01793 521903 or email admin@oaktree.bluekitetrust.org.

We look forward to receiving your application.

Mr John
Headteacher
