Candidate information pack

WELCOME FROM THE CHIEF EXECUTIVE

Thank you for your interest in joining The CAM Academy Trust. It's a great time to join our team, as we enter an exciting phase of development and look to the future.

I feel highly privileged to lead our trust at this time. Our five year strategy – CAM30 – sets out our roadmap to becoming a truly exceptional family of schools.

We are a values-driven trust – our six principles underpin all that we do – and we're committed to excellence. As a teacher myself, and someone who has benefited hugely from an education, I absolutely believe in the transformational power of what we do in schools. This is particularly important for our most vulnerable young people, those who could become marginalised and not reach their potential due to their background or learning needs. It is up to us to make sure that doesn't happen.

Vibrant learning communities are built when pupils of all abilities and backgrounds thrive together, and a truly excellent education enables choice and agency for all children. This is at the heart of our comprehensive principle.

We want people on our team who are excited by the prospect of having a deep and lasting impact on the lives of young people. We want people who are honest, curious, intellectually rigorous and committed to the challenges and opportunities of innovation and collaboration. We also want people who are committed to contributing to the wider education system.

As Chief Executive, I am committed to raising standards for young people, in a sustainable way through a strong MAT operating model and an insistence on excellence whilst understanding that schools need to retain their unique identity so they can be at the heart of their communities. I also know that investing in all our people is critical to success. It is our leaders, teachers and school staff that make the difference for children every day.

Join our team and we will work together to deliver 'excellence for all', enabling all pupils and staff to thrive and be successful. If this excites you; we want to hear from you!

Teacher training (CTSN)

The CAM Academy Trust supports the training of new teachers to become qualified members of the teaching profession. We do this through our SCITT (CTSN).

As a school-based provider of initial teacher training, CTSN SCITT is very much grounded in the life of its local schools and its tutors are experienced practising teachers drawn from, not only CAM Academy Trust schools, but also a wide network of schools across the region.

Our SCITT has a strong regional reputation.

Maths Hub

The CAM Academy Trust is proud to be the base for the [Cambridge Maths Hub](#) which is promoting excellence in maths teaching across Cambridgeshire, as well as Peterborough, West Suffolk, King's Lynn and West Norfolk.

The Hub supports teachers to improve educational standards for students in our region from the youngest child in Early Years to Post-16.

The Cambridge Maths Hub offers free, high-quality professional development to maths teachers across the Hub area.

The Cabins

Our Cabin provisions are attached to four of our schools. The Cabins provide autistic students with an opportunity to be educated in mainstream settings.

We set high expectations for students but provide expert support from highly skilled and caring staff.

All our cabins strive to ensure that every pupil attains the highest possible academic achievement and offer high levels of pastoral support.
