The Role

The Henrietta Barnett School is seeking to appoint an excellent self-employed Visiting Music Teacher (singing) to join our thriving music department from September 2026. We are looking for an experienced vocal teacher who has some experience of teaching students of secondary school age (11-18).

The role is advertised as two full days of one-to-one teaching but could be shared between two suitable candidates. Visiting music teachers are self-employed and the contract for provision of lessons is between parents and the VMT. A VMT service agreement and arrangements for instrumental lessons are managed by the Music Administrator (Mrs. Nina Hirsch) who acts to oversee the contractual arrangements between the VMT and parents.

The School

The Henrietta Barnett School is a fully selective girls' grammar school, situated in the beautiful surroundings of Hampstead Garden Suburb. Dame Henrietta Barnett, who was a social reformer, pioneer of education and champion of the poor and needy, founded the school in 1911. Dame Henrietta strongly believed in the power of education to shape people's lives and founded the school to provide educational opportunities for the highest quality for its students. We were delighted to be awarded the title of State School of the Year 2023 and 2025 for Academic Achievement by The Sunday Times Parent Power Guide for having the best GCSE and A Level results in the country. Over 25 students a year gain places at Oxbridge and the vast majority go on to study at the top universities in the country.

The aim of the school is to encourage and enable all students to make the most of their gifts and talents and to fulfil their academic and personal potential. We offer a challenging academic curriculum with enrichment opportunities throughout the school. We encourage students to enjoy their learning for its own sake and to value their independence of mind. We place great emphasis on high quality teaching & learning and provide regular high quality CPD opportunities for staff. Pastoral care and the well-being of our students and staff is our priority.
