

HEAD OF SCHOOL'S WELCOME

A warm welcome to our school

Welcome to Braddock School!

Dear Future Colleague,

I'm so glad you're considering a career with us here at Braddock C of E School. On behalf of our entire community, I want to extend the warmest of welcomes and give you a small glimpse into what makes our school so special.

First and foremost, Braddock is a family. We are a small school by design, and that allows us to build genuine, lasting connections with our children, their families, and one another. Our hallways are filled with the sounds of collaboration and laughter, and our classrooms are places of true discovery where every child is known, valued, and celebrated for who they are. If you are looking for a place where you can make a tangible impact and be part of a close-knit, supportive team, you may have just found it.

While we may be small, we love big adventures! We believe that the most profound learning often happens outside the traditional classroom walls. Whether we are exploring the rugged Bodmin Moor on a foggy morning, building ambitious projects that blend science and art, or participating in services at our local church, we are always seeking opportunities to spark curiosity and build resilience in our children.

We are looking for educators with adventurous hearts, individuals who aren't afraid to get their hands dirty, think creatively, and inspire a lifelong love of learning.

If the thought of joining a passionate, collaborative, religious and adventurous educational family excites you, then we would be thrilled to hear from you. We are seeking not just teachers and teaching assistants, but mentors, explorers, and champions for our children.

Thank you again for your interest in Braddock C of E School. I hope to have the opportunity to speak with you soon and share more about the wonderful things happening here.

Mrs. Rebecca Ardern
Head of Braddock C of E Primary School
