

Are you passionate about science and keen to support exceptional Biology education? We are seeking a dedicated and organised Biology Technician to join our team. In this vital role, you will provide practical and technical support to the Biology Department, preparing laboratory equipment, materials, and resources that enable engaging and effective teaching and learning. This is an excellent opportunity for someone with strong organisational skills and an interest in Biology to make a meaningful contribution to student success.

This is an exciting opportunity for a committed candidate with:

- High expectations of what can be achieved.
- A clear vision of what makes a successful Biology Technician
- A passion for Biology and supporting high-quality science education.
- Strong organisational skills and the ability to manage multiple tasks effectively.
- Knowledge of laboratory health and safety procedures and best practices.
- Good communication and interpersonal skills, with the ability to work collaboratively as part of a team.
- A proactive and flexible approach, with a willingness to support a wide range of practical activities.
- A commitment to creating a safe, inclusive, and engaging learning environment for students.

We are looking for candidates who will:

- Support the smooth and effective delivery of practical Biology lessons and activities.
- Complement our team with their enthusiastic and positive attitude.
- Be able to multitask and prioritise workload effectively.
- Be innovative and use initiative.
- Have drive and enthusiasm, with a desire to explore, develop and evaluate new ideas.
- Have a sense of humour, caring nature and build strong relationships with everyone.

Lancaster Girls' Grammar School is a forward looking, selective state school with academy status and an outstanding record of promoting academic excellence. Our curriculum is broad and we provide a wide range of enrichment and wellbeing opportunities, and we are proud of our inclusive community. There are currently just over 1,000 students on roll across years 7 to 13. The admission policy prioritises girls from the Lancaster District, but students do travel to us from across Lancashire and Cumbria. LGGS enjoys a city centre location with strong transport links, yet is only a short walk from nearby parks and a nature reserve.

The postholder will primarily undertake the role of a Biology Technician and other responsibilities at a similar level. Full details of the Person Specification and Job Description for the role are provided in our Role Profile.

This is a full-time, term time only, permanent role: details of the contractual terms and salary are included in the Role Profile. LGGS also offers a competitive benefits package which is detailed in our Recruitment Information Pack.

For our **more information about working at LGGS** please visit our website:

<https://www.lggs.org.uk/staff-vacancies/working-at-lggs>. For more information about this vacancy please see the recruitment advert on our [mynewterm](#) site.

Applications **must be submitted on the LGGS [mynewterm](#) application form by the closing date of 9.00am on Friday 18th September**. We do not accept applications via other online platforms such as Indeed.

Shortlisting will take place shortly after the closing date, and interviews are provisionally planned for week commencing Monday 28th September.
