At Selly Park Girls' School, we are committed to ensuring equality of education and opportunity for all students, staff, parents and carers receiving services from our school, irrespective of race, sexual orientation, gender, disability, faith or religion or socio-economic background. We warmly welcome people from all backgrounds who are committed to fostering an inclusive environment where diversity is at the heart of all we do to apply to join our school.

Letter from the Head Teacher

Dear potential applicant,

Thank you for your interest in applying for a job at Selly Park Girls' School. We are a school where we put students at the centre. We want every student to be kind to others, aspirational and ambitious in what they can achieve. We want to ensure that our students can reach their potential in a supportive, inclusive and nurturing environment. This is reflected in our four pillars school ethos.

We attract staff who are committed to making a difference in the lives of our pupils. From teachers, governors and senior leaders to administrators and support staff. Everyone has a role to play in the success of the school.

We are very proud of this success. Our achievement and progress are at consistently high levels and students consistently make better progress than students nationally through their enjoyment of a diverse and rich curriculum taught by a range of skilled practitioners. We are also proud of our history and teachers enjoy teaching in beautiful, ornate Victorian buildings which are complemented by recently built, modern, state of the art facilities.

Selly Park Girls' School provides all staff with access to a wide range of CPD and training opportunities, which we hope you will contribute to and benefit from. We value our staff as professionals and collaborative work is the key to our success. We want our staff to support each other, to share best practice, to work alongside local schools and agencies, to engage the local community and support families. We have a lively health and well-being programme which takes place at the end of every term and we have an established workload committee. We are determined that staff achieve a healthy work/life balance so that they are happy and have the energy to have a decisive impact whilst at school.

If you are someone who thrives in an aspirational environment and believes in the potential of all young people, then we look forward to receiving your application. Visits to the school are encouraged. Please contact our HR team to arrange a visit (recruitment@sellyparkgirls.org).

Yours faithfully

Lisa Darwood

About our School

Selly Park Girls' School is a six form-entry girls' community school for pupils aged 11 to 16 years, which currently has approximately 820 pupils on roll.

The school occupies buildings, which range from recently built to 110 years old, including extensive technology workshops, new science building and recently refurbished and extended library facilities. The site also includes a Sports Hall building housing modern sporting facilities, which are made available to staff outside school hours.

We are proud of the multi-cultural nature of our school and have a proven track record for promoting community cohesion at the local, national and global levels.

Our aspirational educational provision has been widely recognised, through awards such as 'Secondary School of the Year 2022' (and previously in 2018), ISA, Equality and Diversity Award, RRSA Gold (one of only 2 Secondary schools in the West Midlands region), Health and Well-Being Award, SEND Progress, LLPA, and the Platinum Safeguarding Award. Yet, we still actively invite consultants into school to carry out reviews as we continue to drive school improvement.

Our SLT Team

Mrs Darwood
Head Teacher

I have worked at SPGS for over 20 years and was appointed Head Teacher in 2017. I am a proud mum of two daughters, who are both also teachers. I am passionate about tackling social injustice and inequality. I have worked in schools all over the world (Pakistan, India, Russia, Ghana, South Africa, UAE and Europe) and I have helped to set up a school in Ghana. My partner and I also work with the Homeless Charity 'Crisis' where we campaign for the betterment of those less fortunate. I have the best job in the world, and I cherish every day that is afforded to me. I feel extremely privileged that we have the most amazing teachers and pupils at SPGS and I wouldn't want to work anywhere else. I am keen to ensure that the views of all our stakeholders are listened to, shared, and valued.

Mrs Sullivan
Deputy Head Teacher

I have served as an educator across Birmingham and Solihull for over 20 years, with 16 of those years spent in leadership roles. Growing up in South Birmingham has provided me with a deep understanding of the local community and the diverse population across the city. This background fuels my strong commitment to ensuring that our pupils receive the highest quality education and pastoral care that a school can offer.

Guided by the principle that the education we provide should be good enough for my own children, I approach my work with a sense of responsibility and personal connection.

I am truly privileged to be part of the Selly Park Girls' School community and look forward to contributing to its continued success and growth.

Mr. Barlow
Deputy Head Teacher

With over 15 years of experience in education and more than 8 years in leadership roles, I have built a broad range of expertise across all key areas of school life. I have worked across disciplines including teaching and learning, assessment, curriculum, behaviour and attitudes, attendance and exams, ensuring that every aspect of school life contributes to the holistic development of students.

I am deeply committed to fostering an environment where every student has the opportunity to thrive. As a passionate advocate for the transformational power of education, I firmly believe that schools should be the heart of the community, offering not just academic excellence but also a space that develops student's personal growth and well-being.

Selly Park is a great place to work with a fantastic reputation in the community and I am incredibly proud to be part of the Selly Park team.

Mr. Pritchard
Deputy Head Teacher

I have been a teacher now for 18 years, with the past 5 years spent in senior leadership, all within Selly Park Girls' School.

Throughout my time at the school, I have undertaken a wide range of responsibilities spanning curriculum development, pastoral care, safeguarding, and whole-school improvement, providing me with a well-rounded perspective on school leadership.

As someone who grew up in South Birmingham, I have a strong connection to the local area and a clear understanding of the community we serve. This insight informs my commitment to ensuring that all pupils have equal access to opportunities for success. I work proactively to identify and remove barriers to learning so that every student can achieve their full potential.

I take great pride in being part of the Selly Park community and remain dedicated to fostering a supportive, inclusive, and high-achieving environment for both students and staff.

Ms. Hursey
Assistant Head Teacher

I have been a teacher for 25 years, working across five schools in a range of pastoral and academic leadership roles. For the past four years, I have been a senior leader, leading on teaching and learning, supporting curriculum development, and contributing to both whole-school improvement and student wellbeing.

Throughout my career, I have been driven by a deep commitment to helping young people grow into confident, capable, and compassionate individuals. I

School Ethos

The school's ethos is built on four pillars: inspirational teachers, kind and aspirational pupils, engaged stakeholders and a vibrant environment.

Our Proud History

The school opened in 1909 and was originally built as three separate schools: a mixed infant's school, a mixed junior school and a girl's senior school. These three schools were merged in the 1950s and became Selly Park Girls' School. Since that time the building accommodation has been extended to include Technology and Science facilities, which were added in the late 1950s and refurbished in the 1990s.

In the era of specialist schools in the mid-1990s, we were renamed Selly Park Technology College for Girls. However, from September 2018, we were proud to revert to our historic name and be officially known as Selly Park Girls' School. We believe we are innovative and forward thinking and prepare our students for an exciting future in the world of work, alongside taking the very best of traditions and values that have served the school so well in the past. Indeed, we are very proud of the link we have with our alumnae and house an annual school reunion in the summer term. The change of name coincided with the new branding, a new school uniform and new mixed ability forms which were named after inspirational women.

The school sports hall was built in 2006 utilising funding from the National Lottery. During 2014, a new build extension was added to increase dining facilities and teaching spaces. A new state-of-the-art science block, along with refurbished design and technology spaces and a SEND base were opened in 2021. The school reception area has been re-modelled to meet DDA requirements and the school library has been relocated to purpose-built accommodation formally occupied by the old gymnasium, to support our students with all aspects of learning.

Senior Leadership Team

The Senior Leadership team is made up of the following members:

- Head Teacher, Lisa Darwood
- Three Deputy Head Teachers
- Four Assistant Head Teachers
- Strategic Business Manager

In addition, the Head Teacher and SLT are supported by a Senior Office Manager/PA and HR team.

Each Assistant Head Teacher takes responsibility for a Year group (supported by a Head of Year) and takes strategic responsibility for an important element of the leadership and management of the school.

Organisation and Curriculum

The curriculum we offer is broad, balanced and aspirational. We aim for all pupils to make outstanding progress by removing any potential barriers to learning. We have created a

curriculum that is inclusive, engaging and relevant through inspirational teaching and the creation of a vibrant learning environment.

Our spiral curriculum builds on prior learning, whilst developing confident, knowledgeable and highly skilled pupils who are ready to succeed in the next stage of their education, training or employment.

Character virtues are embedded throughout the school community through our unique CHARM lessons which compliments and enhances our curriculum offer with a bespoke range of cultural capital opportunities delivering enriching experiences in a coherently planned way.

Our curriculum is delivered in a way that allows pupils to translate key knowledge to long

ability forms which were named after the six inspirational women outlined below.

Houses, Enrichment & Wider School Life

At Selly Park Girls' School, we believe that education extends far beyond the classroom. Our commitment to character education, inclusion and aspiration is realised through a rich programme of **houses, extra-curricular opportunities and whole-school enrichment events**, which sit at the heart of school life.

Houses & Student Leadership

All students belong to a house, named after inspirational women, which plays a central role in building identity, belonging and leadership. The house system provides regular opportunities for students to collaborate across year groups, take on leadership roles and contribute to the wider school community. House activities include competitions, charity events, cultural celebrations and academic challenges, supporting teamwork, confidence and pupil voice.

Achievement

We are very proud of our students' attainment and progress. Our Progress 8 score puts us among the highest performing comprehensives in Birmingham.

2017/2018	2018/2019	2021/22	2022/23	2023/24	2024/25

Our Students

The best feature of our school is our students. They are friendly, well behaved and inquisitive. Many of our students come from some of the most deprived wards in Birmingham and over 60% qualify for the Pupil Premium. We are proud of the multi – cultural nature of our school and you can see the range of ethnicities we cater for. Over 80% of pupils have English as an additional language. Despite these barriers, the school is thriving and allows these students to be socially mobile due to their academic excellence.

Parent/Teacher Links

We consider parental involvement to be an important part of school life and have achieved the LPPA – Leading Parent Partnership Award, recognising our commitment to strengthening effective home–school partnerships.

We value the support of parents and carers and recognise that engagement takes many forms. As a school, we prioritise clear, regular and accessible communication, while continuing to develop meaningful opportunities for parents and carers to be involved in school life.

In addition to parents' evenings, routine communications and a regularly updated website, Selly Park Girls' School offers a programme of regular workshops for parents and daughters. These events are designed to build relationships, celebrate diversity and strengthen community links, and include activities such as wreath-making workshops, a Diwali workshop, and Chinese New Year celebrations, alongside curriculum- and wellbeing-focused sessions. Attendance at these events varies, and the school continues to adapt its provision to improve accessibility and engagement.

The school has a thriving Parent Teacher Association (PTA), which meets once each half term. The PTA plays an active role in supporting school events, fundraising and community engagement, and provides a forum for dialogue and collaboration between parents and the school.

Parents are invited to attend a range of school events, including musical concerts, drama performances, celebration evenings and presentation events, as well as briefings prior to residential trips abroad. These events provide opportunities to celebrate pupils' achievements and showcase the wider life of the school.

Communication with parents is maintained through regular newsletters, issued twice each half term, which share key information, dates and highlights from across the school. In addition, events, achievements and enrichment activities are celebrated through the school's social media platforms, helping to recognise pupil success and maintain strong links with the wider community.

Feedback from parents is sought through surveys and informal channels, and where appropriate, outcomes are shared. Members of the Pastoral Team maintain regular contact with families as needed, including contacting parents on the first day of a pupil's absence.

Interventions & Supports

Selly Park Girls' School provides a range of targeted academic and pastoral support to ensure pupils are supported appropriately throughout their time at the school.

A Homework Club operates after school each day until 4:15pm, offering pupils a calm, structured environment in which to complete work and access support where needed. This provision supports pupils in developing independence, organisation and positive study habits.

In addition, many departments provide subject-specific intervention and enrichment sessions, particularly at key points in the academic year, to support progress, consolidation and challenge.

The Saturday School Club is open on Saturdays from 9:00am until 1:00pm for pupils in Year 10 and Year 11 to support them in their studies. There are regularly over one hundred pupils in attendance.

The school also arranges a number of intervention programmes throughout the school holidays. These include programmes for Year 10, Year 11 study and Year 7 Summer School

These interventions sit alongside the school's wider enrichment and personal development offer, including Activities Week, trips and extra-curricular provision, ensuring that support is both academic and holistic in nature.

Extra-Curricular Opportunities

We offer an extensive extra-curricular programme, with over 40 activities running at lunchtime and after school. These opportunities span academic, creative, sporting and wellbeing-focused provision and are designed to ensure that all pupils can pursue interests, develop talents and build confidence.

Students also have the opportunity to represent the school in a wide range of sporting fixtures, fostering teamwork, resilience and pride in the school community.

Trips, Visits and Enrichment Experiences

Enrichment beyond the school site is a key strength of Selly Park Girls' School. Students benefit from a wide range of visits and residential experiences, including MFL trips, a PGL adventure residential, and a variety of curriculum-linked visits. Pupils also take part in workshops led by professional musicians, dramatists, cooks and artists, providing inspirational, real-world experiences that enhance learning and raise aspirations.

Activities Week

Our annual Activities Week is a cornerstone of the school's enrichment offer. During this week, students engage in a carefully planned programme of subject-based learning, creative

projects, careers education and personal development activities. Activities Week provides opportunities for pupils to explore new interests, develop transferable skills and build cultural capital in an inclusive and purposeful way.

Equality, Diversity and Inclusion (DEI)

Selly Park Girls' School has a strong and longstanding commitment to equality, diversity and inclusion, which is embedded throughout the curriculum and wider school life. Whole-school events such as Culture Day and Values Day celebrate diversity, promote mutual respect and encourage pupils to engage thoughtfully with social, cultural and global issues. These events play a key role in developing inclusive attitudes and social responsibility.

Equality, Diversity and Inclusivity

At Selly Park Girls School, we are committed to ensuring equality of education and opportunity for all students, staff, parents and carers receiving services from our school, irrespective of race, sexual orientation, gender, disability, faith or religion or socio-economic background. We warmly welcome people from all backgrounds who are committed to fostering an inclusive environment where diversity is at the heart of all we do to apply to join our school.

Data Privacy

As part of our recruitment processes, we collect and process personal data relating to job applicants. We are committed to being transparent about how we collect and use that data, meeting data protection regulations and in line with GDPR compliance.

Safer Recruitment in Education: Information for Applicants

Selly Park Girls' School is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.

We have a number of policies and procedures that contribute to our safeguarding commitment, all of which can be viewed at <https://sellyparkgirls.org/policies>

What we will provide:

All applicants for all vacant posts will be provided with:

A job profile outlining the duties of the post; including safeguarding responsibilities;

A person specification which will include a specific reference to suitability to work with children.

All applications for employment will be required to complete an application form, containing questions about their academic and full employment history, and their suitability for the role.

In addition, all applicants are required to account for any gaps or discrepancies in their employment history.

References

Candidates are advised that references will be requested immediately after shortlisting. Please ensure your referees are aware of the need to respond promptly to a request.

Interviews

At least one member of each interview panel will have completed Safer Recruitment Training.

An online search will be undertaken on all shortlisted candidates. This search is conducted after shortlisting and is undertaken by a member of staff not on the Interview Panel.

The selection process for every post will include exploration of the candidate's understanding of child safeguarding issues.

Shortlisted candidates will be asked to complete a self-declaration of their criminal record or information that would make them unsuitable to work with children.

Pre-employment checks

- It is an offence to apply for the role if the applicant is barred from engaging in regulated activity relevant to children.
- An enhanced DBS check is required for all successful applicants.
- Evidence of the right to work in the UK.
- Prohibition, overseas and section 128 checks will also be completed, if necessary.
