We are seeking to appoint an enthusiastic Teacher of Science to join our supportive and successful faculty. All our students study Science with many of them completing Triple Science at GCSE level. Our boys are very enthusiastic about the study of this subject and take advantage of the many extra-curricular activities offered by the faculty (such as the Faraday Challenge and Lego Robotics - in both of these, teams from our school reached the regional finals). Results in Science are consistently strong and Triple Science are all close to the National average; we are very proud of this success and are looking for a new teacher to join our aspirational team.

We take a collaborative view of learning where good practice is shared through a structured INSET programme within school and across the Trust.

Royal Liberty School is a small comprehensive, 11-16, located close to Gidea Park Station. We pride ourselves on our strong Sense of community and the excellent behaviour of the students.

- English 9-4 82%
- Maths 9-4 82%
- English and Maths 9-4 78%
