Welcome from the Executive Headteacher and CEO Anna Robinson

As the Executive Headteacher (EHT) and Chief Executive Officer (CEO) of **MARK Education Trust**, I am proud to lead three schools in East Sussex: **Beacon Academy** in Crowborough, **Uplands Academy** in Wadhurst, and **Hailsham Academy**, an all-through 2–19 school located in Hailsham and Hellingly.

Together, we are driven by a clear mission:

To provide the best possible education for our students, preparing them for life so they can stand equally alongside their peers locally, nationally, and globally.

Our Journey

I was appointed Headteacher of Beacon Academy in 2015 and became Executive Headteacher of MARK Education Trust in September 2022. Since then, the Trust has grown carefully and responsibly to include Uplands Academy in 2022 and Hailsham Academy in 2025.

During my tenure at **Beacon Academy**, we embarked on a transformational journey. In 2019, we celebrated record-breaking A-Level and GCSE results, with our Progress 8 measure making Beacon the **top-performing school in East Sussex for three consecutive years**. We also ranked **first across Sussex and within the top 1.8% of schools nationally**. Beacon's results continue to reflect academic excellence. Our sixth form students consistently achieve highly, with the vast majority of students securing their first-choice destinations - whether that be university, apprenticeship, or employment.

In 2024, following a rigorous Ofsted inspection, Beacon Academy was judged to be **Outstanding** in all categories.

In September 2022, we welcomed **Uplands Academy** (formerly Uplands Community College) into MARK Education Trust. Located in Wadhurst, East Sussex, Uplands is a good school with vast potential, driven by an inspiring student body and a dedicated team of staff. We are proud of the excellent relationships that have developed between staff and students, underpinned by high expectations and a relentless commitment to ensuring that the focus is on each child as an individual.

Our collective drive and ambition for continuous improvement was recognised and validated in January 2025, when Ofsted confirmed that Uplands is a **Good** school in all categories.

About MARK Education Trust

Together, we make a strong, unified team focused on delivering whole school improvement. Centralised business services support our schools to develop and sustain excellence in every classroom. Our schools remain oversubscribed across year groups - a testament to the dedication and impact of our highly skilled and experienced staff.

Guided by our values, we are growing responsibly and with care. Our growth strategy is implemented thoughtfully to ensure that each of our schools retains its unique identity while remaining connected by our shared vision and continuously striving for excellence through collaboration.

In September 2025, we welcomed Hailsham Community College - now **Hailsham Academy** - into the trust. I spent 16 years at Hailsham, beginning as a PE and English teacher and progressing to Head of School, before moving to Beacon, so Hailsham joining our trust also marks a personally significant milestone in my career. As an all-through 2-19 school, Hailsham Academy strengthens our commitment to inclusive, high-quality education.

Welcome to Beacon Academy

A message from Headteacher Keith Slattery

Thank you for your interest in joining Beacon Academy. I have worked at Beacon for over 20 years and was proud to be appointed Headteacher in 2023. It is a privilege to serve this community and to lead the school on its continuing journey of excellence. In 2024, we were judged **Outstanding in all areas by Ofsted** - recognition of the dedication, professionalism and ambition of our staff and the achievements of our students.

Beacon Academy is a split-site, semi-rural, mixed 11–18 academy with 1,664 students, including over 320 in our thriving Sixth Form. Situated in Crowborough, on the edge of the Ashdown Forest and within easy reach of Tunbridge Wells, Brighton, Eastbourne and the south coast, we are an oversubscribed school with a diverse, non-selective intake from more than 10 primary schools and beyond.

Our Sixth Form, located on its own dedicated campus just minutes from our main site, attracts not only our own students but also those from local and international schools. We are proud that the vast majority of our students go on to secure places at their first-choice university, apprenticeship or employment.

At Beacon, we are uncompromising in our ambition for every student. We deliver a broad, knowledge-rich curriculum within a calm, safe and purposeful environment. Our culture is built on unapologetically high standards, a relentless focus on teaching and learning, and exceptional pastoral support. Alongside academic excellence, we place equal emphasis on developing happy, responsible and well-rounded young people – equipping them with the knowledge, character and confidence to thrive in life beyond school. This is achieved through our outstanding support networks, high expectations and a wide range of enrichment opportunities.

As part of MARK Education Trust, together with Uplands Academy and Hailsham Academy, we are motivated, ambitious, resourceful and knowledgeable. Our collaboration ensures that we remain outward-facing, innovative and committed to our shared vision of providing the very best education for every child.

If you share our values and our drive to inspire, challenge and support students to achieve their very best, I warmly invite you to consider joining our exceptional team.

Department Information

The Food Technology department plays a vital role in developing students' practical life skills, creativity and understanding of healthy living. Through a well-structured and engaging curriculum, students gain hands-on experience in food preparation while building confidence in the kitchen.

The department benefits from a well-equipped food room that enables all students to participate safely and effectively in practical lessons. High expectations are maintained for behaviour, organisation, and presentation, creating a purposeful learning environment. Health and safety is prioritised at all times, with students receiving regular guidance to ensure correct use of equipment and ingredients.

KS3 students currently have 1 hour a week on a 12-13-week rotation for Food Preparation and Nutrition where students learn, for example, how to use equipment, the processes of food preparation, different cuisines, macronutrients, how to reduce food waste and the analysis of complex recipes.

Throughout KS4 (GCSE Food Preparation & Nutrition), students continue to learn about many aspect of food and nutrition including how to become more independent in the kitchen, making informed food choices, studying nutritional analysis, the functional and chemical properties of food, the principles of food safety and food labelling and marketing influences.

The department contributes positively to the wider life of the school through a range of enrichment activities, including food clubs and competitions and transition events, as well as targeted GCSE revision sessions and intervention support. These opportunities enhance student engagement, raise the profile of the subject and promote Food Preparation and Nutrition as a valuable, relevant and enjoyable area of study.

The department is currently supported by one technician, and we believe in a strong culture of close collaboration between staff.

Staff Testimonials

Beacon Academy is a friendly, supportive and inclusive place to work. The staff here show a positive commitment to the students who attend Beacon Academy and also to each other in the roles we do. Each member of the team is made to feel as though they fit in at Beacon Academy, with opportunities given to progress in their professional development and in remits they wish to pursue.

I recommend this school to anyone who wishes to work in an open and inclusive environment and who really values their time as a teacher. It will not be wasted at this outstanding school with high values and dedication to the profession.

Teacher of English

Joining Beacon Academy back in September was and will always be a focal point of my career. I have found our colleagues here at Team Beacon to be extremely kind and welcoming which in turn has helped me to feel comfortable and safe here in my new role. I feel like no question is a silly question and I am genuinely valued for my contributions to the community. It is an honour to work here. People are kind to students and students are often kind in return. It is a feeling here like no other and I feel privileged to be a part of this fantastic school.

ECT – Teacher of History

Beacon Academy is like one big family, all staff are supportive not only to the students but also to all of their colleagues whether they be teaching or support staff. The Trust encourages and supports staff in continuing their own educational studies which improves the knowledge of individuals and their departments.
