

Are you a passionate Chemistry teacher ready to inspire the next generation of scientists? Lancaster Girls' Grammar School is seeking an exceptional Teacher of Chemistry to join our thriving Science department. This is an exciting opportunity to work with motivated, high-achieving students in a supportive and academically ambitious environment where excellence in teaching and learning is at the heart of everything we do. If you're committed to delivering outstanding lessons that spark curiosity and foster a love of Chemistry, we'd love to hear from you.

Lancaster Girls' Grammar School is a forward looking, selective state school with academy status and an outstanding record of promoting academic excellence. Our curriculum is broad and we provide a wide range of enrichment and wellbeing opportunities, and we are proud of our inclusive community. There are currently just over 1,000 students on roll across years 7 to 13. The admission policy prioritises girls from the Lancaster District, but students do travel to us from across Lancashire and Cumbria. LGGS enjoys a city centre location with strong transport links, yet is only a short walk from nearby parks and a nature reserve.

This is an exciting opportunity for a committed candidate with:

- A degree in Chemistry or a related subject, and Qualified Teacher Status
- High expectations of what can be achieved.
- A clear vision of what makes a successful Teacher of Chemistry
- A commitment to raising achievement and the quality of learning for all students.
- The ability to work in an organised and methodical way.
- The ability to relate well to children and young people.
- Shares our high expectations for behaviour and achievement.
- Will contribute positively to our school community and ethos.

We are looking for candidates who will:

- Complement our team with their enthusiastic and positive attitude.
- Have high expectations for students achievement and behaviour, and foster a positive learning environment.
- Be able to multitask and prioritise workload effectively.
- Be innovative and use initiative.
- Have drive and enthusiasm, with a desire to explore, develop and evaluate new ideas.
- Have a sense of humour, caring nature and build strong relationships with everyone.
- Thrive in a busy school environment.
