This is an exciting opportunity to become part of the Welwyn Garden City and Hatfield Schools Partnership as we work to maximise opportunities for our children and young people.

We are looking for an individual who can be an active member of a team, which works directly with families where a need has been identified. You will need to be able to mentor and coach, allowing you to identify, address and support a range of family and educational needs. You will need to have experience in a school based environment and be able to show an awareness of the needs of families in Welwyn Garden City and Hatfield. The role will be based at one of the schools/premises in the partnership but will require a substantial amount of travelling locally (a full driving licence and access to a car for work purposes are required). Due to the partnership funding structure, the position is fixed term, initially until 31st March 2027.
