CHESHAM GRAMMAR SCHOOL

April 2026

Dear colleague,

Thank you for your interest in Chesham Grammar School and in this teaching post. Whether you are early in your career or bring significant experience to the profession, choosing the right school is an important decision, and I hope this letter gives you a genuine sense of who we are and why so many colleagues find CGS such a rewarding place to work.

Chesham Grammar School is a co-educational, selective school with over 1,320 students on roll, including more than 400 in the Sixth Form. We are a large school, characterised by strong relationships, a clear moral purpose and a warmth that visitors invariably pick up on very quickly.

Our vision is for everyone at CGS to enjoy, achieve and belong, and this applies as much to staff as it does to students. Our core values of aspiration, kindness and respect guide everything we do. They are not simply words on a page; they shape how we lead, how we work together and how we all – staff and students - treat one another day to day. In short, they underpin everything we do.

Our most recent Ofsted inspection in March 2025 once again judged the school to be Outstanding in all areas. Inspectors quickly identified how happy the school is, commenting not only on the high standards, strong relationships and quality of pastoral care, but also on how proud staff and students are to belong to CGS, describing it as a “wonderful community”. While we were delighted with the outcome, it remains our firm belief that outstanding does not mean perfect. We are reflective, forward-thinking and continually seeking ways to make CGS an even better place to study and to work.

Pastoral care is a clear strength of the school. Our vertical tutoring system, organised through a well established House structure, ensures that students are well known and well supported. This fosters the building of strong relationships as well as a real sense of belonging and pride.

Our students are engaged, articulate and genuinely enjoyable to teach. Both *Ofsted* and the *Good Schools Guide* highlight the positive rapport between staff and students and the calm, purposeful atmosphere in classrooms, where high standards are combined with warmth, humour and a genuine enjoyment of learning. We are unapologetically ambitious – for outcomes, for character and for life chances – while recognising that sustained excellence depends on staff feeling valued, trusted and supported.

Annmarie McNaney
Headteacher

Our staff are our greatest strength. We invest in professional development, collaboration and coaching, and are deliberate in creating an environment where colleagues can do their very best work without losing sight of why they came into education. Workload is taken seriously, wellbeing is more than a slogan, and professional dialogue is honest, respectful and focused on impact. Overall, Chesham Grammar School is a vibrant, rewarding and fulfilling place to work – one where people feel valued, trusted and proud to belong.

When making appointments, I am first and foremost seeking colleagues who share the values and ethos of the school. Experience, qualifications and potential matter, but so too does alignment with the way in which we do things here.

For those early in their career, we take our responsibility to support and develop new teachers very seriously, offering a comprehensive induction programme, structured Early Career Teacher support, high-quality mentoring and strong in-house professional development through the Astra Teaching School Hub. We recognise that learning to teach well takes time, guidance and space to reflect, and we place real emphasis on workload, wellbeing and sustainable professional practice.

For more experienced colleagues, CGS offers an intellectually stimulating and professionally rewarding environment where expertise is valued and shared. Professional development is purposeful and largely delivered in-house, with opportunities for leadership development, coaching and support for NPQs, and a culture of collaboration and mutual respect.

I hope this letter has given you a clear sense of our ethos, culture and the opportunities available at CGS. Should you decide to apply and be invited to interview, I would very much welcome the opportunity to meet you.

Yours sincerely,

ABOUT PRE

The PRE department at CGS is a thriving and successful department, made up of three highly qualified specialist teachers. The department is housed in a dedicated classroom and is very well-resourced with a shared, newly refurbished, office space. Each member of the department has their own desk and working space in the office as well as access to individual and department resource storage spaces. The classrooms are equipped with digital projectors, whiteboards and each member of staff is issued with their own laptop for ease of use in all areas of the school.

Students in Years 7-9 enjoy interactive lessons based upon the department schemes of work, which are developed from the Bucks Locally Agreed Syllabus. These are designed to allow for teachers to develop their own interests and activities in line with the core content to be delivered. Year 7 study: An introduction to World Religions and Worldviews: Christianity, Sanātana Dharma, Islam, Sikhi and Humanism. Year 8 study: The Problem of Evil and Suffering with a focus on Christianity, Buddha Dharma and Humanist perspectives, The Human Condition with reference to Christianity, Sanātana Dharma and Humanist perspectives, and Philosophy, exploring questions of Truth and Reality from Theistic and Humanist perspectives. Year 9 study: Medical Ethics: The Case of the Conjoined Twins, Mary and Jodie, reviewing this complex case from Christian and Humanist perspectives, Environmental Ethics, drawing on Christian and Dharmic perspectives, and Religion and Society, a research project in which students choose a topic to research based on this theme. PRE is a popular option at GCSE and the department currently has Full Course GCSE groups in Years 10 and 11. Religious Studies is a popular choice at A-level with groups following the Edexcel specification.

The department vision is to equip students with a comprehensive appreciation of a range of religious and Humanist perspectives. We aim to develop a breadth and depth of knowledge and understanding through challenging lessons, and to foster a love of the world and an understanding of the importance of their actions as individuals in the global community. Many students continue with this interest studying Philosophy and Religious Studies or related degrees at top universities.
