Headteacher: Mrs S George

Developing influential women of the future.

16th July 2026

**Careers Lead
NJC M1 SCP 28-31**

**37 hours per week, 39 weeks per year
Annual Salary Range (FTE): £39512 to £41771**

Dear Applicant,

Thank you for your interest in the Careers Lead role at Challney High School for Girls. This is an exciting opportunity for the right candidate.

We are seeking to appoint a highly organised, driven and efficient individual to plan and co-ordinate the school's careers information, advice and education guidance service. The responsibilities will include the management of the careers provision, for example, work experience, individual careers guidance and co-ordinating careers events, as well as liaising with students and internal/external stakeholders to ensure that careers education is woven into the fabric of the school. This post will appeal to someone who holds exceptionally high standards and is committed to ensuring that our school continues to push forward for all students.

Challney High School for Girls is a special place to work. Our vision is to 'develop influential women of the future' so that they have the capacity to pursue, and have a lasting impact within, any avenue they choose. Our students are already remarkable young women; they are ambitious, respectful, and have a strong sense of generosity and kindness towards others.

The school achieved World Class Status in June 2023 and was judged as Ofsted 'Outstanding' in March 2025. These fantastic achievements are a testament to the hard work of our committed staff, students, and their families, alongside the unwavering support of our Local Governing Body and the Chiltern Learning Trust. We are incredibly proud of our school community.

For further details about our school, you can visit our website [here](#) or view our prospectus [here](#). You can hear directly from our students about some of the opportunities we have at the school [here](#). If you would like to discuss the role informally with the Headteacher, Sheba George, please make contact by emailing head@challneygirls.luton.sch.uk.

We advise submitting your application early, as we reserve the right to close this post once applications are received. The final closing date is 12pm, Monday 3rd August via www.mynewterm.com. Interviews will follow shortly after the deadline.

We look forward to receiving your application.

Mrs Sheba George
